

---

## KEY BENEFITS

- **Magnum performance:** Designed to handle full-power .30-cal magnums (.300 Win Mag, 300 PRC, etc.) with control and durability.
  - **Relatively light:** Exceptional weight-to-performance ratio for its class — titanium option further reduces carry weight.
  - **Modular mounting:** Ships with a 5/8"-24 direct-thread HUB; removable to accept 1.375"-24 Universal HUB.
  - **Field-serviceable:** Swap a struck end cap in minutes — no depot turnaround required.
  - **Cleaner shooting:** Patented internal flow geometry reduces shooter-facing gases and muzzle concussion.
  - **Durable finish:** Cerakote C-Series (Black) for corrosion resistance and long life.
- 

## TECHNICAL SPECIFICATIONS

- **Full-Auto Rated:** Inconel 718 — **Yes**; Titanium — **No**
- **Length (can w/o direct-thread hub):** 8.712 in
- **Overall length (can w/ direct-thread hub):** 9.212 in
- **Outer Diameter (OD):** 1.706 in
- **Weight (can w/o direct-thread hub):** Inconel: 17.6 oz · Titanium: 9.5 oz
- **Weight (can w/ direct-thread hub):** Inconel: 19.98 oz · Titanium: 10.8 oz
  
- **Materials:** Inconel 718 (standard) or Grade-5 Titanium (Ti-6Al-4V)
- **Coating Options:** Cerakote C Series (Black)
- **Mount / Thread:** Ships with **5/8"-24 direct-thread HUB**; removable to **1.375"-24 Universal HUB**
- **Field-serviceable end cap:** Yes — removable and user-replaceable

### SUPPORTED CALIBERS:

.308 Win, 7.62 NATO, 300 BLK, .30-06, 7.62×39, 7.62×54, .270 Win, .243 Win, 6.5 Creedmoor, 6.5 PRC, 6mm ARC, 6mm Creedmoor, .22 ARC, .224 Valkyrie, .22-250 Rem, 6.8 SPC, 7mm PRC, 7mm-08, .30-30, 300 PRC, 300 Win Mag.
