Minister for Overseas Development, Neale Richmond and a delegation from Irish Aid visited Tearfund Ireland's Self-Help group work in Ethiopia in mid-February. Minister Richmond commended the work of Tearfund Ireland partners providing the support and structures for women and their families to work themselves out of extreme poverty. Join us in giving thanks for his interest and that the visit went so well.

Thank God for the opportunity to share regularly about the work of our partners on Spirit Radio. Tearfund Ireland CEO and Minister Neale Richmond were also interviewed following the recent visit to Tearfund Ireland partners in Ethiopia. You can listen back [HERE](#)
