Bob Sweeney's Camp Hope

Saturday, July 11, 2026

Please join the Bereavement Department of Good Shepherd Hospice at Camp Hope, a free camp experience for children ages 5-17 and their caregiver, who are grieving the death of someone close.

The Camp H.O.P.E. experience offers a unique and supportive environment for children and their caregivers by combining grief education and support with FUN and traditional camp activities. Led by Bereavement Specialists and caring, trained volunteers, campers are provided with a safe environment to engage in therapeutic activities that encourage emotional healing, increased understanding, development of healthy coping skills, preservation of memories and gained support from making connections with peers.

Camp Alvernia
105 Prospect Road
Centerport, NY 11721

One parent, caregiver or legal guardian must accompany children.

Attending adults will participate in their own dedicated group.

**Openings are limited
