Presbyterian Women

Tuesday, February 10th @ 10:00 am

Coleman Room

Our first family to move into housing moved last week! This family overcame the hurdle of a premature baby born at 28 weeks. Baby boy is hitting his milestones and is expected to come home to his family's new home soon.

In 2025, together we served 16 families in our Temporary Shelter. An amazing 88% graduated into housing. The average length of stay, 72 days, is a reflection of the rental market's challenges.

Our Temporary Shelter is full with three families, a single mother with four children, a single father with a son and a single mother with a teen son. Two parents are employed. Two of these families would be unable to stay at a dormitory-style shelter.

Thanks to the success of Cardboard City, we helped 37 families to stay housed in November and December. Preventing evictions creates stability.
