A Note from Pastor Joy

Dear LPC Family, When Jesus appeared to the disciples after his resurrection, the Gospel of John tells us that Jesus said to them, "Peace be with you. As the Father has sent me, so I send you" (John 20:21). These words remind us that our mission reaches beyond our walls and fellowship. During the month of October, LPC will be engaged in reaching beyond ourselves in three unique and exciting ways. I hope that all who are able will jump in to support and participate in one or more of these outreach activities.

YOUTH ALPHA - This outreach to youth in our community will begin on Oct. 5. Our youth are inviting their friends to come share a weekly meal and conversations about the big questions of life. The videos present biblical answers to questions that young people are asking about purpose, meaning, and the existence of God and small group discussion time creates a space for honest discussion and questions. Through this program, the good news about Jesus will be clearly presented and youth will be welcomed with the hospitality and compassion that marks this community. You can support this program first and foremost with your prayers. If you would like to pray for students by name, speak to Brian and those names will be provided to you. We could also use a few hands on deck to help with serving meals.

MISSION CATALOG - For several years, our outreach team (now part of SERVE ministry) holds a mission fair in November. At the mission fair, money is raised to help support a variety of ministries. In October, the Mission Fair Catalog will be published and sent out to all of you. The catalog describes the various ministries that we support together, and you can consider donating. Last year we raised just under \$10k through the mission fair catalog! If you would like to do something hands on, the SERVE team could use your help with the mission fair with your donations of hand crafted items to sell, or you can help as part of a set up or clean-up crew. Ministry moderators Lori Duck and Chuck Martin are the contacts for the mission fair and catalog.

TRUNK OR TREAT - This annual event is a wonderful way for us to welcome our neighbors onto our campus, and there are so many ways to help! We need decorated trunks; we need helpers to run games and activities; we need donations of candy; we need help with setting up and cleaning up, and more. Be watching for sign-ups and listening for announcements about ways to help. If you would like to have a role in helping to coordinate things, please speak to Brian or Diana Balow.

We don't just do these things for the fun of them (though they are fun!). All these things are ways that we practice living out what it means to be sent. These events offer points of connection and opportunities for relationship. They provide access points for people to learn about Christ and share in his ministry. They give us ways to invest our earthly resources in heavenly treasures. There is something for everyone, and even small acts done with great love make a difference!

In Christ's love,
Pastor Joy

Help Wanted

We need a volunteer to answer the phones and the door during our weekly staff meetings.

Tuesdays, beginning October 14th from 9:00 am to 10:30 am.

We sometimes get the postal carrier and the courier during this time and need someone to attend to them in the office. This could be a rotation of volunteers, or just one person.

If you can help, talk with Janet.
