

Kindergarten K4

K4 Students will attend three days a week, Tuesday, Wednesday, Thursday from 8:15am - 12:30pm.

Kindergarten (K4) students will develop their language, motor, social and personal skills, along with creativity, character and spiritual development. There are daily lessons in language, phonics, reading, writing, numbers, art, and bible. As well as exploring areas of history, science, and health. Students learn through enrichment activities, music, art, games, and play; allotting time for curriculum instruction, along with independent practice. Students in K4 participate in weekly chapel services, special dress up days, field trips and many other extracurricular activities throughout the year. K4 lays a strong foundation for academic success. WCA welcomes parent involvement and believe by partnering with parents we give our students a stronger foundation which to build upon.

Kindergarten K4 Requirements:

Children must be four years old on or before August 31st of the current school year. WCA health assessment and immunization record must be on file by the first day of school.
