

Sakura Square, Destinasi Komersial dan Gaya Hidup Baru Resmi Dibuka di Green Bestari Park

Tangerang, 25 November 2025 — PT Inti Mitbana Development, perusahaan joint venture antara Intiland dan Mitbana, resmi memperkenalkan **Sakura Square**, kawasan komersial dan gaya hidup terbaru di Green Bestari Park, melalui acara soft opening pada 21 November 2025. Dirancang sebagai pusat aktivitas harian, rekreasi, dan interaksi komunitas, Sakura Square mengusung konsep "*One Hub, All Smiles*" sebagai ruang modern yang nyaman untuk seluruh pengunjung.

Berlokasi di atas lahan seluas **dua hektare** dan berada tepat di seberang klaster Green Casa, Sakura Square pada Tahap Pertama menghadirkan marketing gallery baru serta deretan ritel dan F&B yang dikurasi dalam sepuluh unit ruko premium. Ruko dua lantai ini dirancang untuk memenuhi kebutuhan komersial modern sekaligus menambah kenyamanan bagi warga dan pengunjung. Dua partner utama, **Alfamidi Super** dan **Papa Ron' s Pizza**, telah mengonfirmasi rencana pembukaan gerainya pada tahun depan, menambah pilihan fasilitas harian di kawasan Green Bestari Park.

Untuk merayakan pembukaan pada 21–23 November 2025, dihadirkan berbagai aktivitas komunitas seperti workshop membuat matcha, permainan karnaval anak, kompetisi sugar glider yang bekerja sama dengan komunitas pecinta hewan, serta beragam kuliner dari food truck brand populer seperti Chatime, Baso A Fung, dan Emados Shawarma.

Ke depannya, Tahap Kedua Sakura Square akan menghadirkan **clubhouse** Green Bestari Park yang semakin memperkaya fasilitas gaya hidup dan rekreasi di township ini.

Karolina Astaman, Direktur Utama PT Inti Mitbana Development, menyampaikan:

“**Sakura Square** kami rancang bukan hanya sebagai area komersial, tetapi sebagai pusat kegiatan yang menghadirkan kenyamanan, kebersamaan, dan keceriaan — sejalan dengan visi ‘*One Hub, All Smiles*’. Ini adalah destinasi di mana masyarakat dapat berkumpul, menjelajah, dan menikmati pengalaman yang bermakna, baik untuk kebutuhan sehari-hari maupun momen rekreasi.”

Tentang Green Bestari Park

Terletak di Tangerang, Green Bestari Park merupakan township modern seluas 51 hektare yang mengedepankan hunian hijau, kenyamanan hidup, dan konektivitas masa depan. Dikembangkan melalui kolaborasi antara Intiland Development dan Mitbana — joint venture antara Mitsubishi Corporation dan Surbana Jurong (SJ Group) — pengembangan skala kota ini mencakup cluster hunian, kawasan komersial dan gaya hidup, serta konsep Transit-Oriented Development (TOD) yang terintegrasi dengan rencana stasiun Mass Rapid Transit (MRT) di masa depan.

Sakura Square, a New Commercial and Lifestyle Destination Officially Opens at Green Bestari Park

Tangerang, 25 November 2025 — PT Inti Mitbana Development, a joint venture between Intiland and Mitbana, officially introduced **Sakura Square**, the newest commercial and lifestyle precinct at Green Bestari Park, through a soft opening event held on 21 November 2025. Designed as a hub for daily activities, recreation, and community interaction, Sakura Square embraces the concept of “One Hub, All Smiles” as a modern and comfortable space for all visitors.

Located on a **two-hectare** site and positioned directly opposite the Green Casa cluster, Phase One of Sakura Square presents a new marketing gallery along with a curated row of retail and F&B tenants housed in ten premium shophouse units. These two-storey shophouses are designed to meet modern commercial needs while enhancing convenience for both residents and visitors. Two key partners, **Alfamidi Super** and **Papa Ron' s Pizza**, have confirmed their plans to open outlets next year, adding more daily lifestyle amenities within the Green Bestari Park area.

Board of Directors and Board of Commissioners of PT Inti Mitbana Development, the developer of Green Bestari Park

To celebrate the opening on 21–23 November 2025, a series of community activities were held, including a matcha-making workshop, children' s carnival games, a sugar glider competition in collaboration with animal enthusiast communities, and a variety of culinary offerings from popular food truck brands such as Chatime, Baso A Fung, and Emados Shawarma.

Looking ahead, Phase Two of Sakura Square will introduce the Green Bestari Park **clubhouse**, further enriching the lifestyle and recreational facilities within the township.

Karolina Astaman, President Director of PT Inti Mitbana Development, stated:

"**Sakura Square** was designed not only as a commercial area, but as a vibrant activity hub that brings comfort, togetherness, and joy — in line with our 'One Hub,

All Smiles' vision. It is a destination where people can gather, explore, and enjoy meaningful experiences, both for daily needs and recreational moments."

About Green Bestari Park

Located in Tangerang, Green Bestari Park is a 51-hectare modern township that prioritizes green living, everyday comfort, and future connectivity. Developed through a collaboration between Intiland Development and Mitbana — a joint venture between Mitsubishi Corporation and Surbana Jurong (SJ Group) — this large-scale urban development comprises residential clusters, commercial and lifestyle zones, and a Transit-Oriented Development (TOD) concept integrated with a planned future Mass Rapid Transit (MRT) station.
