

HALF-YEAR *Cheer*

AT GLCF

NOVEMBER THROUGH APRIL • HELD AT TRI-COUNTY NINJA IN FENTON

☆ Welcome to the Force! ☆ ♡

Dear GLCF Families,

We are so excited to welcome you to another season of **Half-Year Cheer at Great Lakes Cheer Force!**

Our Half-Year program is the perfect way to experience all the fun of All-Star Cheer without the full-year commitment! With a shorter season and lower financial commitment, Half-Year is truly for everyone—from athletes trying All-Star Cheer for the very first time to experienced cheerleaders looking for another opportunity to compete, multi-sport athletes wanting to cheer during their off-season, or families simply looking to experience GLCF, our coaches, and what makes our program special. ♡

No matter where your athlete is starting, there's a place for them at GLCF!

REGISTRATION

Athletes will select one of two registration options:

- 26–27 Half Year
Tiny Novice
- 26–27 Half Year
Mini/Youth/Junior Novice

TEAM PLACEMENT

Following registration, our coaching staff will split Mini, Youth and Junior athletes into teams based on:

- Athlete age
- Cheer and tumbling experience/skill level
- Practice-day availability
- Overall registration numbers and team needs

.....
Depending on registration numbers and athlete skill levels, team divisions and levels may be adjusted to create the best possible teams for the season.

PRACTICE AVAILABILITY

During registration, Mini, Youth and Junior families will be asked to provide their athlete's practice-day availability and indicate whether their schedule is flexible.

.....
Please answer these questions as accurately as possible! There will also be a comment section where you can share specific scheduling restrictions or additional information we should consider.

PROJECTED PRACTICE SCHEDULE

The practice days, times and age groups listed in this packet are our projected schedule and are provided to help families plan ahead.

.....
Final Mini, Youth and Junior team assignments and practice schedules will be determined after registration based on enrollment, athlete placement and availability.

WHEN WILL TEAM PLACEMENTS BE ANNOUNCED?

Official team placements and final practice schedules will be emailed **October 15**.

Please watch your email for your athlete's official team placement and additional season information.
