

CRC's Privacy Statement

Privacy Statement

As a registered entity with the ICO (Information Commissioner Office), Compliance and Risk Consultancy, CRC- The Compliance Experts Ltd is committed to protecting the privacy and personal data of our clients, partners, and stakeholders in accordance with the UK Data Protection Act 2018 and the General Data Protection Regulation (GDPR).

Information Collection and Use: We collect personal information necessary for providing our regulatory and contractual compliance services, fulfilling legal obligations, or as otherwise permitted by law. This may include names, contact details, employment information, and other relevant data.

Data Security: We implement appropriate technical and organisational measures to safeguard personal information against unauthorized access, disclosure, or misuse.

Data Sharing and Disclosure: Personal information may be shared with third-party service providers or partners solely for the purposes of fulfilling our contractual obligations or compliance services, and only under strict confidentiality and data protection requirements.

Data Retention and Disposal: Personal information is retained only for as long as necessary for the purposes for which it was collected, unless a longer retention period is required by law. We securely dispose of personal information when no longer needed.

Individual Rights: Individuals have the right to access, rectify, erase, or restrict the processing of their personal information held by us, subject to applicable laws.

Compliance: We comply with all applicable UK data protection laws and regulations, including the Data Protection Act 2018 and GDPR.

Contact Us: For any questions or concerns about our privacy practices, please contact our Data Protection Officer at [contact details].

By engaging with CRC- The Compliance Experts you acknowledge and consent to our privacy practices as described in this statement.

The Privacy Statement covers essential aspects of data collection, security, sharing, retention, individual rights, and compliance with UK data protection laws. It provides a concise, yet comprehensive overview of the company's privacy practices, while remaining compliant with the requirements of the UK Data Protection Act 2018 and GDPR.
