# Dog-Friendly ACTIVITIES

## MALIBU BEACH (LONGPORT “DOG BEACH”)

---

Just a 5 minute drive north over the Longport bridge (at the foot of the bridge), this is the closest true off-leash dog beach. It is a highly popular, sandy inlet spot where dogs can run freely and swim in the bay, but there is limited parking & no bathrooms/food spots.

## OCEAN CITY DOG PARK

---

Located at 45th Street and Haven Avenue, this 42,000-square-foot facility features three separate fenced-in areas for large dogs, small dogs, and an open dog run. You will need to register for a "Paw Pass" to gain entry.

## CORSON'S INLET STATE PARK

---

Located at the southern tip of Ocean City, this park is fantastic for leashed nature walks through dunes and along bay trails. Note: Dogs are strictly prohibited on the ocean beaches here, and are not allowed in any area of the park from April 1st to September 15th

## PET-FRIENDLY DINING IN OCEAN CITY

---

Stroll the charming, tree-lined downtown where several popular eateries welcome well-behaved pups on their outdoor sidewalk seating like Jon & Patty's, Yianni's, Asbury Kitchen, Hooked on Breakfast, Maria's Cafe & more.

**\*\*Important Local Rule:** Standard OCNJ beaches and the boardwalk do NOT allow dogs at all during the peak summer season. Always carry waste bags and be sure to check local signage.
