

Environmental Policy Statement

This Policy drives the Environmental objectives of the business. TCB-Arrow Limited is committed to continually improving and minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring our processes are as efficient as possible.
- Consider the efficiencies of plant and equipment during the selection process
- Consider the renewable content of energy sources during selection
- Develop our own sustainable energy sources where possible
- Minimise toxic emissions through the selection and use of its fleet
- Actively promote recycling both internally and amongst its customers and suppliers.
- Meet or exceed all the environmental legislation that relates to the Company.
- Review climate change impact to business performance and mitigate the risks where possible.
