

Netarts News

FROM YOUR CAC BOARD

Welcome to the first Netarts Newsletter of 2026.

As we return to monthly meetings for the next quarter, our intention is to send out the newsletter about 10 days before the general meeting with information on the Guest Speakers. The meetings continue to be on the Fourth Saturday of each month @10:00 at the Netarts Fire Hall.

Updates on Projects

At this meeting, we will have short updates on ongoing projects by our Emergency Management team, NERV, Boat Basin project and our newly launched Netarts Community Website.

Next General Meeting 2/28/26 Netarts Community Clubhouse @10:00am

We are pleased to welcome guest speaker Chris Laity (Tillamook Dept. Of Public Works) with information on ongoing work in our area. Chris has recently been presenting to other unincorporated communities. A great time to learn what is happening, planned and to ask questions.

If you cannot join us in person: the virtual option is available at the county website (tillamook-county.gov/comdev)
