

# Netarts News

## FROM YOUR CAC BOARD

Welcome to our first Netarts Newsletter! As we have paused our General meetings for the summer months, your CAC Board wanted to keep you updated on the work that is continuing with not only your Board, but the volunteers serving on both the Emergency Management Prep and the Dock/Nature Park workgroups.

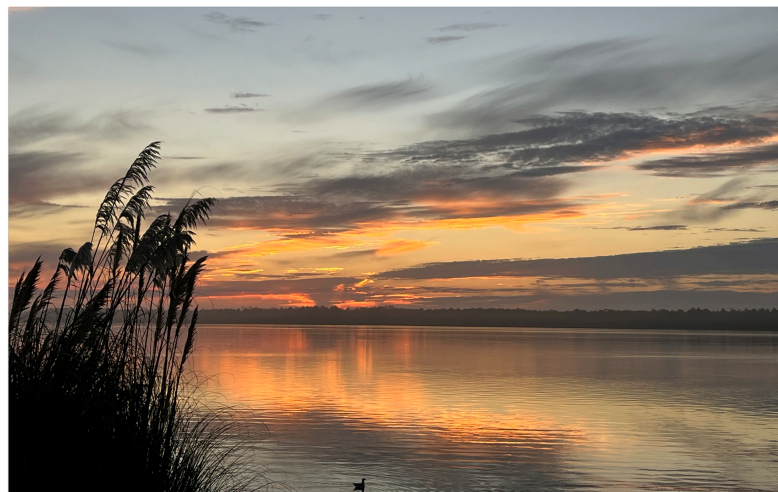

### Summer Projects

\*\*Chief McBrayer and the Emergency Management Workgroup have monthly meetings (first TH at 1100 at the Netarts Fire Hall). This group is putting together resources for our protection.

\*\*The Dock/Nature Park group are working with the Parks department and developing funding plans for the proposed improvements.

### September 27, 2025

You can look forward to a report on their progress at our September general meeting.

## Land Use Public Hearings

At the last three of our general meetings, we had guest speakers from Tillamook County Government who presented, in detail, the proposed changes to the Land Use regulations for unincorporated Netarts. The meetings provided detailed information and time for questions to be answered and concerns addressed. The Planning Commission's Public Hearings have now been scheduled: July 10@7pm (4000 Blimp Blvd. Bldg. #19) and July 23, 2025@5:30pm (same address) virtual attendance is available via the County

<https://tillamookcounty.gov/hc-bc>

Expect your next newsletter in early August with updates on 1) the Commissioner's decision on the land use updates 2) updates on work groups on Emergency Preparedness and the Dock project.
