#### SOMETHING FOR EVERYONE!

#### OUR PRIME STEAK SELECTION

1. RIBEYE - 8oz - £25.95 / 10oz - £29.95
2. SIRLOIN - 8oz - £24.95 / 10oz - £28.95
3. RUMP - 6oz / 8oz - £21.95 / 10oz - £24.95
4. T-BONE - 16oz - £39.95
5. FILLET - 6oz - £26.95 / 8oz - £34.95

1. RIBEYE - Cut against the grain from the small end of the rib leaving a tasty circle of fat (rib eye). High marbled fat content so not as tender as a Sirloin but makes up for this in flavour and juiciness.
2. SIRLOIN - A denser cut of meat that is therefore not as juicy as a Rump or Ribeye but is always marbled with thin wisps of fat that enhance the cooking process ensuring tenderness and flavour.
3. RUMP - From above the hind legs, a heavily used muscle area. A more economical choice of steak, but we take ours from the centre of the rump so it is always juicy and full of flavour.
4. T-BONE - Cut and cooked on the bone. On one side, a large tender sirloin and on the other a smaller but perfect Filet Mignon, the succulent tail of the tenderloin. The ultimate combination.
5. FILLET - The tenderloin that runs either side of the spine, a totally non weight bearing muscle area that produces the softest & tenderest steak. A more premium cut, but worth every penny!
