All-Inclusive Self-Pay Package Carpal Tunnel Release

Transparent pricing. Complete care. Performed safely in our office under local anesthesia.

At Lancaster Plastic Surgery Associates we offer all-inclusive packages for common hand procedures. You receive one clear price that covers your consultation, the procedure itself, and routine postoperative care—without hospital facility fees or separate anesthesia charges.

What's Included

- Consultation — virtual or in-person
- Carpal tunnel release performed under local anesthesia (Wide-Awake technique) in our office
- Two postoperative visits
- Scar management guidance and materials as needed
- Uncomplicated postoperative care

Package Pricing

Procedure	All-Inclusive Price
Open Carpal Tunnel Release (one hand)	\$1,500
Endoscopic Carpal Tunnel Release (one hand)	\$3,000
Bilateral Endoscopic Carpal Tunnel Release (both hands)	\$4,000

Note: We do not recommend bilateral open carpal tunnel release.

Why Patients Choose This Package

- Performed in the comfort and convenience of our office
- Local anesthesia only — driver is still recommended for comfort
- One transparent price with no facility or anesthesia-team fees
- Designed for straightforward recovery and predictable cost

Important Notes

This package is intended for uncomplicated cases. If additional treatment becomes necessary (for example, management of an unexpected complication or formal hand therapy), those services are discussed and priced separately so there are never surprises. Your surgeon will review your individual situation during the consultation and confirm that the package is appropriate for you.
