ORDERING PRIOR TO EVENT

All Concourse Concessions are available for you to order, as well as platters of Suite food, and our staff will deliver the items to your suite. To guarantee that we will meet all of your food and beverage needs, please have your orders in 24 hours prior to your event. The best way to place your order is online where you can select your items and submit your order electronically: www.ottawatitans.com/preorder

Please note that some items require 24 hours notice while others may be ordered the day of the event. Food and drink service begins one hour prior to the event. Food service concludes two hours after the start of the game. Last call for drinks will occur during the 8th inning.

CANCELLATIONS

If you must cancel a Suite order, we ask that you please contact our Food & Beverage team with your cancellation at least 24 hours prior to the event. Charges will not be incurred within this time frame. If for any reason a game is cancelled and the stadium does NOT open, you will not be charged for your food and beverage order. If the gates to the stadium open for ANY amount of time and the game is cancelled you will be charged fully for your food and beverage purchase.

METHOD OF PAYMENT

We accept cash, debit and credit card (Visa, Mastercard, American Express). If you wish to run a tab, you may be required to provide a credit card to secure the tab. Please note, an 18% gratuity is added to all food and beverage purchases, which is divided amongst all food and beverage staff. Additional gratuities are not expected, but should you choose to do so, they are voluntary and at your discretion.

ALCOHOLIC BEVERAGES

Ontario liquor laws and Ottawa Titans Stadium policy state that no alcoholic beverages may be brought into the Suite or removed from the Ballpark. Although it is the responsibility of the Suite holder to ensure minors or intoxicated guests do not consume alcoholic beverages in their Suite, The Ottawa Titans reserve the right to check identification and to refuse service to persons who appear to be intoxicated.

OUTSIDE FOOD

As per Ontario Health and Safety regulations, no outside food or drink may be brought into the Ballpark. If you would like to bring in a specialty item, such as a birthday cake, you must make prior arrangements with us. Please note there is a \$10 plating fee, which includes plates, cutlery, napkins, and knife for slicing. Important note: due to health regulations, cakes must be store-bought, not homemade.

IN-SUITE HOSPITALITY COOLER

As a convenience to you, we provide worry-free beverage service using a par stock system. A credit card must be provided to your Suite server in order to utilize this service. Your Hospitality Cooler is pre-stocked with all of the canned and bottled beverages we carry at the Ballpark including beer, coolers, pop, and water. It has a par stock level to being the event. At the end of the event, another count is done, and you will be charged for the product that has been removed. Drinks will also be restocked throughout the event, as needed.

Should you choose not to partake in this option, all products stocked in the Cooler are available through your server. As well, non-alcoholic drink tubs, alcoholic/non-alcoholic drink tickets, and other custom drink services can be arranged. Please contact us for details.

PREMIUM BOTTLE SERVICE

In addition to beer and wine, we offer the convenience of our in-suite Premium Bottle Service. You may purchase entire bottles of our most popular spirits (in 750 mL bottles) at a discounted rate, and we will ensure your mix and ice bucket are stocked. Make your drink your way with no waiting!

SPECIAL SERVICES

The Ottawa Titans are delighted to assist in planning special functions in your Suite. We can arrange for anything from flower arrangements to balloons to themed parties. Please feel free to contact our Food & Beverage team at fb@ottawatitans.com to arrange a meeting.
