Advanced Skincare Facials

Oxygen facial: \$125

This is the Little Black Dress of facial treatments, perfect for a special occasion day. Your skin will look as if it is lit from within. After a thorough cleansing and exfoliation, pure oxygen along with vitamins A, C, and E are propelled deep into the skin visibly improving texture and elasticity.

Dermaplaning: \$75/\$45

(as an add-on service)

A safe and highly effective physical exfoliation procedure. It requires the use of a sterile, surgical scalpel to gently "shave" the skin's surface, removing the top-most layer of dead skin along with fine, vellus hair.

Vitamin C Facial: \$100

Refine pores and skin imperfections, reduces pigmentation and fine lines and wrinkles, leaving the skin super soft and illuminated.

Detox Facial: \$125.00
