

2024 CABERNET SAUVIGNON

TASTING NOTES

"Expressive aromatically, leading with dark chocolate aromas, berry reduction, cassis, and mocha tones. The wine was grown mostly on the southwest side of the AVA on warmer sites like Bob Healy and LeFore, as well as younger blocks from our McQueen vineyard for the first time - beautiful pedigree. The tannins are great, rich and chewy, ripe, indicative of a warm vintage and finishing with a lengthy, fine-grained profile. This is a super pleasurable, yet serious Cabernet from Walla Walla! Drink now through 2041."
