

2023 CABERNET SAUVIGNON

TASTING NOTES

What a beautiful vintage of Doubleback. This growing season in 2023 was warm and generous. Inky colored wines show off juicy red fruit, fresh ripe blackberry, sage brush, and toasty young French oak. The way this wine feels is incredible with textural pleasure, rich, chewy, ripe tannin, with a long finish. Malbec from our Schafer Estate contributes a beautifully layered mid-palate, bringing energy and depth to the wine. This wine is showing off now in its youth but does not sacrifice its ability to go the distance. Decant now if pulling a cork, otherwise drink 2028 through 2045.
