TASTING NOTES

"Get creative on what you think this wine's name stands for! Blackberry, fresh blueberries, hints of pie crust, stems, and flowers. The wine is soft, lushly constructed, building to richness while remaining bright and energetic. Enjoy now on its own or with your favorite northwest cuisine. LFG!"

ABOUT LFG

"LFG" represents the moment that Josh and Drew decided to take a leap into the world of Oregon Pinot Noir with the beautiful Estate Coulee vineyard as the backbone of their program.

ABOUT COULEE ESTATE (EOLA-AMITY HILLS AVA)

Our new estate vineyard in Eola-Amity Hills is extremely exciting. We were fortunate to be able to acquire this piece of land in 2021 from Mimi Casteel who took such great care of the earth and vines in her inspiring practice of regenerative farming. The site itself has such a diverse array of aspects, soil types, and clonal selection that we are ecstatic to get to know the site and make our estate grown, single vineyard Pinot Noir, Chardonnay, and Chenin Blanc.
