13.1%

VINEYARD SOURCES

100% Coulee Estate, *Eola-Amity Hills*

BARREL/AGING PROGRAM

8 months in neutral French oak barrels

TASTING NOTES

"On a south facing slope of volcanic soils in the Eola- Amity Hills, our Coulee estate has a small half acre of Chenin Blanc planted. The wine showcases honeysuckle, lemon zest, wet stones, and small hints of straw or freshly harvest wheat fields. On the palate, it possesses great energy, medium bodied richness, and highlights a beautiful fresh pear accompanied by more citrus notes in a very refreshing yet serious style. I am loving the new vintage and the versatility to be enjoyed by itself or a perfect complement to northwest cuisine."

ABOUT COULEE ESTATE (EOLA-AMITY HILLS AVA)

Our new estate vineyard in Eola-Amity Hills is extremely exciting. We were fortunate to be able to acquire this piece of land in 2021 from Mimi Casteel who took such great care of the earth and vines in her inspiring practice of regenerative farming. The site itself has such a diverse array of aspects, soil types, and clonal selection that we are ecstatic to get to know the site and make our estate grown, single vineyard Pinot Noir, Chardonnay, and Chenin Blanc.
