No additions will be permitted to team rosters 48 hours prior to the start of the tournament and MUST be approved by the provincial office.

Due to the location and number of teams travelling to provincial championships there are always several requests taken into consideration when developing a schedule. Changes in a schedule will have a snowball effect on all teams involved in the tournament once it is forwarded to the teams. The NLBA WILL NOT permit changes to a schedule unless approved by the minor committee, once it leaves the provincial office. The NLBA would like to take this opportunity to wish all teams the best of luck in their respective to tournaments.
