WELCOME TO THE 26TH HALL OF FAME CUP

Congratulations on being ranked among the top eight high school basketball teams in the province. Your selection to participate in the 26th Hall of Fame Cup is a significant achievement and a reflection of the hard work, dedication, and commitment shown by your athletes and coaching staff throughout the season.

The Hall of Fame Cup brings together the best basketball players in Newfoundland and Labrador, providing an opportunity for student-athletes to represent their schools and home communities while competing for one of the most prestigious titles in our province. This annual event continues to play an important role in the growth and development of basketball across Newfoundland and Labrador.

I would like to sincerely recognize and thank the Hall of Fame Cup Committee, the NLBA Board and staff, Minor Tournament Committee, NLBOC, and our many volunteers for their tremendous efforts in hosting the 2026 Hall of Fame Cup. Their tireless work and dedication are instrumental to the success of this event and to the sport we all care so deeply about.

On behalf of Newfoundland and Labrador Basketball, I wish all participating teams the very best of luck. Enjoy the experience, compete with pride, and represent your schools and communities with excellence.

Sincerely,

Brian Cooke

WANT TO BECOME AN OFFICIAL? NLBOC@SPORTNL.CA

9 REASONS TO BECOME A BASKETBALL OFFICIAL

1

DEVELOP LIFELONG FRIENDSHIPS

There is a relationship between referees that is hard to find elsewhere. Players are supported by coaches and fans. Referees only have each other. This reliance on one another and working together as a team creates a unique bond.

2

ENJOY THE SOCIAL ASPECTS

Officials tend to be a very social group. They enjoy getting together and interacting off the court.

3

EARN MONEY

Refereeing is a great way to help pay your way through school or earn extra income. It's better than working at McDonald's! Assignors love students who have flexible hours.

4

STAY CLOSE TO THE GAME YOU LOVE

Most referees played basketball at some point in their lives, or still do and are passionate about the game. Being a referee keeps you directly involved in the game. You are still part of the action and you get an adrenaline rush that you'll never experience as a spectator. It's not the same thrill as playing, but it's the next best thing. You're still on the court. You can't say that as a coach!

5

MANY OPPORTUNITIES FOR ADVANCEMENT

In all provinces, we are looking to recruit and train more female officials. As a result, there are many opportunities for rapid advancement through the officiating pathway.

6

STAY ACTIVE FOR LIFE

What better way to stay in shape and get a great view of the game?

7

LEARN HOW TO MANAGE OTHER PEOPLE

Strong emotions often cloud the judgment of players, fans, and coaches, but you will be required to maintain your emotional composure and keep order on the court. Maintaining your composure while managing the emotions of others is an incredibly useful skill that you can use in a variety of situations throughout your life.

8

ENJOY THE CHALLENGE

Refereeing is a challenge. From passing the exam to advancing to higher levels to getting the best assignments to doing a good job under pressure in a big game, you get satisfaction from experiencing and overcoming these challenges.

9

FEEL A SENSE OF ACCOMPLISHMENT

If you work hard and commit to your goals, you will improve. Improvement gets acknowledged and in turn that motivates you to do whatever it takes to get even better! Officiating can provide you with a strong sense of accomplishment.
