Riders' Story – Bachelor Party.

Months ago, a group of 14 young men used the Community Van to get to a bachelor party! Two of our Duvall volunteers, both women with kids of their own, drove the group of men safely to celebrate the bachelor. With the Community Van, they found an affordable and reliable way to get to the party without having to potentially drive under the influence. What a fun way to use the Community Van!

Partnership Highlight – Hillside Academy!

This month, we would like to highlight and honor our wonderful partners at Hillside Academy! In addition to the great work that's done by the teachers and staff at Hillside Academy, several of their staff members are also volunteer drivers! They drive students to and from school field trips and, when they're not busy wrangling up students, volunteer to drive those in our community. They've been great advocates for Community Van and a wonderful part of our community in Duvall. Thank you, Hillside Academy!
