

Name: _____

Creation Mobile

Using a wire hanger, several pieces of string, and tape or a hole-punch, make a Creation mobile. Color the pictures, cut out the shapes, and attach a piece of string to each. On the back of each picture, write what it shows that God created. Tie each of the strings to your hanger. Hang your "creation" in a special place.

Seek and Find: Look at pages 22 and 23 of your Bible. What animal is sitting on a rock and looking at the Tell It! frames?
