THE REV. PIOTR'S SABBATICAL IN
JUNE-JULY-AUGUST
(Please see the message below)

I am blessed with, and grateful for, ministering in the church, and with the congregation that offers the gift of a sabbatical leave as their expression of care for my well-being. The biblical roots of Sabbath are foundational to the concept of sabbatical as a time of rest from the work of ministry. Sabbatical time is for learning through study, reflection, revitalization, and recreation.

To rest, I will spent extended time with my family-both human and animal alike.

For personal renewal to reflect on my 10 years of ministry at St. Paul's and 20 years of ordained ministry. I am taking a week of silence, reflection, prayer at St. Peter's Abbey in Munster, SK.

For study and reflection, I will focus on visioning and sketching a proposition for St. Paul's updated model of governance, decision making and overall functioning to correspond to the reality we find ourselves in. I would also like to deepen my understanding and fine-tune my articulation of my belief in the universal salvation.

Upon my return there will be ample opportunities to share with you the fruits of that work.

To fully honour this gift, and to fully engage with it, I cannot be available for the regular aspects of my ministry such as office time, funerals, weddings, etc.

This sabbatical can be an opportunity to renew both, yours and mine, energy and sense of mission and purpose. I am grateful for everyone who makes this experience possible!!

With blessings and gratitude,
The Rev. Piotr
