

2023-2024 School Bus Transportation Requests

This list includes the public district's transportation information, please look for your public district for the correct transportation information.

Columbus City Schools (CCS): requires that all current and new students fill out an online application. Please see the attached instruction sheet. CCS Transportation may not provide transportation to our school, however, that does not mean they will not if the need is deemed “practical”. I would encourage every family residing in the CCS district to apply for transportation. This will allow you to be reimbursed for transportation if the district deems our families “impractical to transport”.

Licking Heights (LH): requires a new application and medical authorization form to be completed for each new and returning student. Please send the completed form and proof of residency (utility bill) to 6539 Summit Road SW, Pataskala, OH 43062 740.927.3340

Groveport: requires a residency verification form for homeowners, a residency verification form for renters, and a student information form to be sent to 4400 Marketing Place Ste. C Groveport, Ohio 43125

Petermann Pickerington: an application will need to be completed for each new and returning student. Please send the completed form and proof of residency (utility bill) to 12475-A Achievement Way, Pickerington, OH 43147 614.837.8525

Reynoldsburg City Schools (RCS): requires that all current and new students fill out an online application. Go to reyn.org/transportation and scroll to Bus Forms. If you are a new St. Pius X student, click on Transportation-New Request Private/Community and if you are returning St. Pius X student, click on Transportation Renewal-Private/Community. These forms must be returned to the Welcome Center, 1555 Graham Rd. Reynoldsburg, OH 43068 614.501.1033

Southwest Licking: an application will need to be completed for each new and returning student. Please send the completed form and proof of residency (utility bill) to 10653 Hazelton-Etna Rd. Etna, OH 43062 740.927.5901
