Purely Cremation and Burial

Our Simple Online Cremation & Burial Service Packages

Purely Cremation and Burial is an extension of the Smith's family of funeral homes. Over the years, we have heard more families asking for a simpler and more economical cremation service that is still dignified and serviced by our professional and caring staff. This is our response to their request. We are proud to now be able to offer the simple and convenient services you want at the most affordable online price, while still including the professionalism and care that you have come to expect from Smith's.

Our easy and convenient online arrangement process allows you to arrange everything from the comfort of your own home without the need for an in-person visit to the office. Whether you're looking for affordability, convenience or a simpler tribute, we are here to help. Without the expensive overhead of more elaborate facilities, we offer you efficient, high-quality service and pass these savings directly to you.

We have packaged all of the items you will need to make this an easy process for you and your family. We provide dignified care for the deceased, a cremation container and transportation from the place of death to our facility, and to the crematorium. We look after registering all documents on your behalf, arrange for a Coroner's cremation authorization, and provide you with Proof of Death certificates to settle the Estate at which time we return the cremated remains to you in a container.

We have designed our online arrangements to be as easy and comfortable as possible. Handle everything online and over the phone, and our team of licensed funeral directors will take care of the rest. Our process is simple, with no-pressure.

When choosing Purely Cremation and Burial, you can be assured that you will be served with professionalism and care in a modern and simplified manner. Trust us and you can rest easy, pure and simple.

Custom designed, personalized memorial cards or prayer cards (includes printing, per 100)

FinalDocx® Estate Administration Support (includes Unlimited Proof of Death Certificates) — $350
FinalDocx® Estate Aftercare simplifies the estate administration process by securely collecting and organizing the information required following a death. Our staff will gather the necessary vital statistics and initiate the application on your behalf. You will then receive a secure email invitation to provide additional estate details and verify the information submitted.
Once completed, the system validates the information and prepares the required documentation and notifications. You will receive a comprehensive report containing the details and forms needed to assist with estate settlement, helping to save time, reduce paperwork, and streamline administrative tasks during an already difficult time.

Transferring Cremated Remains between Vessels — $95
Staff and services required to transfer cremated remains from any initially chosen receptacle to any other receptacle requested or provided after the initial receptacle has been filled. This fee is limited to the filling of up to three (3) items.

Domestic Shipment Services — $295
Includes arranging and coordination of sending cremated remains to a designated domestic (within Canada) destination. This may include coordination with other funeral homes, city, or provincial governments as well as national carriers to facilitate the movement of the cremated remains to a domestic address or location. This fee **does not** include fees for documents, shipping charges, or any other outside services required to facilitate the shipment.

International Shipment Services — $495
Includes arranging and coordination of sending cremated remains to a designated international destination. This may include coordination with other funeral homes, city, provincial and state governments as well as national and international carriers to facilitate the movement of the cremated remains to outside jurisdictions. This fee **does not** include fees for documents, shipping charges, consular fees or any other outside services required to facilitate the shipment.

Removal of Pacemaker (or other implants) — No Cost
This procedure is mandatory prior to cremating a body that has a pacemaker or other implant and must be carried out by a licensed funeral director. Includes disposal of the device.

Refundable Deposit for Cremated Remains — $350
In the event that cremated remains in our possession are unclaimed, this refundable deposit may be used to inter the cremated remains in common ground in a cemetery of the funeral home's choosing. If the cremated remains are claimed before they are interred, the deposit will be refunded.

Container / Casket Selections

When a family chooses cremation, a casket (or cremation container) is required for the safe and appropriate handling and transportation the deceased. Vault Selections

Many families wish to select an outer container or burial vault to provide protection for a casket or urn that will be interred in the ground. Some cemeteries require an outer container or vault due to the heavy equipment used and the ongoing maintenance of the cemetery. We offer various burial vaults that have distinctive levels of protection to provide you with comfort and peace of mind.

CONCRETE LINER	MONTICELLO VAULT
	
Minimum liner, basic concrete, no seal or liner **$1195** Superior Concrete 34Wx90Lx31H	2,000lbs, 50-year warranty, single-reinforced, concrete exterior with a plastic reinforced cover and base **$1895** Century Wilbert 35Wx90Lx33.75H

Urn Vault Selections

If you plan on ground burial for the urn, many cemeteries require that it be placed into an urn vault. A cremation urn vault is a lined and sealed outer receptacle that houses the cremation urn, protecting it from the weight of the earth and cemetery maintenance equipment that will pass over it. Lined urn vaults also provide protection from subsoil elements while preventing the ground from settling.

Payment & Funding

For services at time of death:

Payment is due when signing the contract, or before delivery of the decedent to the crematorium, whichever comes first. Interest will be charged at a rate of 2%, which is equivalent to 24% per annum. Payment may be made online with a credit card, PayPal account or debit.

Financial assistance for burial and cremation services is available through various governmental agencies, to those who qualify. Our staff would be glad to explain these benefits to you at any time and assist you in connecting with the appropriate agency for further inquiry.

Pre-payment in advance:

For services that are being arranged pre-need, we offer the following funding option when prepaying services and/or supplies:

Trust: You pay for the services and supplies at today's price, and we will place your money in a trust account, where it will accrue interest until the prepaid contract is fulfilled (when the services and supplies are delivered). Prepayment may be made by credit card or cheque.

Additional information about funding, payment and financing options is available upon request
