WELCOME LETTER FROM

DR. RICHARD MILLER

Dear Students:

Welcome to Bridges Christian College & Seminary! We are an emerging institution designed specifically for students. Institutions, like people, should always be learning and moving into their futures. Since its inception, Bridges Christian College & Seminary (BCCSS) has been doing just that. “Our goal is to provide students with an innovative and debt-free education and to develop students with academic agility.”

BCCS was born out of the necessity to offer a robust biblical education at a time when higher education has become financially out of reach for many. It was also created to produce graduates who are innovative and unafraid to face new ministry challenges largely overlooked by aging institutions. The forces that now face ministry graduates are far different than those faced by my classmates and me in the 1980’s after graduating from Southeastern University.

BCCS affords you the opportunity to graduate debt free. With this financial freedom, you will be able to respond to God’s direction with much greater speed. Whether you want to earn a doctorate or hit the mission field, BCCS prepares you to fulfill God’s dream residing in you.

The BCCS experience will shape the way you think and help you participate with God in creating a great and effective future. We seek to create an environment of intense and comprehensive intellectual and spiritual growth.

We promise to:

- lead students in experiencing the orthodox and transcendent God in daily life;
- lead individual students into the willful immersion into God and His plans;

BCCS Catalog 2024-25

- readily acknowledge that intellectual development is not an end in itself, but a means to cultivate eternity in the human heart;
- create an intentional spiritual reality that brings life transformation and spiritual formation;
- and create an attitude of sacredness in the heart of each student.

Going to college is not about purchasing intellectual knowledge. BCCS challenges you to think about where your education will take you and to whom you are entrusting your intellectual development. BCCS offers every student an opportunity to grow spiritually and intellectually.

Bridges Christian College & Seminary knows and articulates exactly where we are taking you. We are not just selling thoughts from the past but are believing you will be immersed in God's thoughts and desires for your future ministries. I'll look for you this year, Rev. Richard Miller, Ph.D.

President of Bridges Christian College & Seminary

GENERAL INFORMATION

History

Bridges Christian College was founded in 2011 by Dr. Mike Rakes in Winston-Salem, NC, and graduated its first class there in 2012. At the end of 2015, the school was taken over by Dr. Richard Miller as President, Rev. Anthony Freeman as Provost, and Dr. Justus Freeman as Vice President for Academic Affairs. The school moved its main campus to New Orleans, LA, and restarted with only 5 students. The new, refounding leadership completely restructured the institution by developing a new vision, new mission, new academic programs, new board of directors, new administration, and new faculty.

Under the leadership of Dr. Richard Miller, Rev. Anthony Freeman, and Dr. Justus Freeman, BCCS has continued to train future pastors and missionaries in classical Pentecostal doctrines and values grounded in God's Word.

Also, since the school's restart in New Orleans, it has grown in influence and students, providing cutting-edge theological education that is completely debt-free. BCC is pleased to report that since 2016, 100% of all graduates are debt-free thanks to this educational model!

Under the current leadership, the institution achieved applicant status with the Association for Biblical Higher Education in February 2017, and candidacy status in February 2021. In February 2023, the institution achieved full/initial accreditation with the Association for Biblical Higher Education.

In June 2023, the Association for Biblical Higher Education approved the institution to begin offering master's degrees starting fall 2023. The institution then officially became Bridges Christian College & Seminary.

In June 2023, the institution was recognized as an affiliate member of the Assemblies of God Alliance for Higher Education.

BCC is committed to providing Pentecostal, quality, theological education that is debt-free!

Administrative Leadership

The administrative leadership of Bridges Christian College & Seminary (BCCS) includes the President, Board of Directors, and the Executive Administrative Committee. The Board of Directors sets the policies of the institution, selects the institution executive administrative officers, and provides for financial support. The Executive Administrative Committee and Faculty Committee set standards and policies relative to academic and student life practices. Institutional business practices are the responsibility of the chief financial officer.

Mission of the Institution

Bridges Christian College and Seminary exists to cultivate hearts, to prepare minds, and to develop skills of Spirit-empowered leaders for practical and academic ministry to fulfill the Great Commission.

Debt-Free Model

Thanks to the Ecclesiastical Scholarship Fund, every student graduates debt-free! The out-of-pocket cost to each student for undergraduate programs is only \$200 per trimester thanks to scholarships and grants. Furthermore, the out-of-pocket cost to each student for the master's degree programs is only \$500 per trimester thanks to our generous donors. BCCS is "Bridging online and debt-free theological education to your calling!"

Educational Philosophy

Bridges Christian College and Seminary exists to cultivate hearts, to prepare minds, and to develop skills of Spirit-empowered leaders for practical and academic ministry to fulfill the Great Commission. Within scripture, the concept of discipleship and teaching has a rich Biblical provenance. At the very core of the matter, the ministry of teaching can be seen as one of the primary roles of the ministry. Ephesians 4:11 describes God's actions with respect to the five-fold ministry of the church as a gift to the church. The next verse also defines the purpose and intent of this gift as being: "to equip the saints for the work of ministry, for building up the body of Christ" (Ephesians 4:12). We, therefore, view our primary purpose as educators as fulfilling and facilitating God's provision for the church corporately through the gift of the role of the teacher to equip and build up the Body of Christ with the ultimate end goal being the fulfillment of the great commission by the student population of Bridges Christian College & Seminary.

We further maintain that the complex nature of the Gospel dictates the need for an equally diverse means of teaching. This diversity in teaching aligns with our mission of cultivating the hearts and minds of Spirit-empowered leaders. The ministries within scripture show instruction through both effective communication and experiential learning. Bridges Christian College & Seminary maintains the need for our students to learn through diverse instructional strategies, close relationships with instructors who are passionate about discipleship, and experiential learning using multicultural outreaches and in-context practicums specific to the unique divine calling of the student.

BCCS Catalog 2024-25

Bridges Christian College & Seminary believes that the New Testament dictates a clear classical Pentecostal distinction for vocational, bi-vocational, and lay ministry levels. This aligns directly with our mission of cultivating the hearts and minds of Spirit-empowered leaders. The Pentecostal distinction is such that it is evident in all aspects and demonstrations of ministry described in the New Testament after the events in Acts 2. Because of this, we maintain unapologetically, unreservedly, and without compromise a traditional, biblical, and classical Pentecostal viewpoint in all coursework, curriculum, and instruction that embraces the fullness of the movement of the Holy Spirit in the current modern ministry context. Because we operate from a traditional and Biblical perspective of Pentecostalism, we define our perspective of classical Pentecostalism by the experience of the subsequent work of grace that is the Baptism in the Holy Spirit as evidenced by the sign of speaking in tongues as the Spirit of God gives utterance. The purpose of Pentecostal gifts (Acts 2; 1 Corinthians 12; 14) given by the directive of Christ surrounding the fulfillment of the Great Commission (Acts 1:8; 2:1) drives our purpose in ministry and the mission of our students as they fulfill their divine calling.

We maintain that the Bible is absolute, complete, and total in its coverage. The Bible is the all-sufficient guide for faith and daily living and answers every issue faced by any society past, present, and future. This view of the inerrancy and infallibility of scripture serves as the foundation of our mission to cultivate the hearts and prepare the minds of Spirit-empowered leaders. As such, we believe that the Holy Scriptures offer solutions to every dynamic social issue that arises. Because of this, we maintain the following perspectives in our instruction and discipleship of future Christian leaders:

- We recognize the commandment of scripture love and respect all people. Our courses emphasize the need for our students to reach all people groups regardless of age, gender, or viewpoint. We also, however, simultaneously recognize and maintain Christ's commandments on loving God by keeping his commandments and statutes. Therefore, we maintain the need to love and respect without tolerating, affirming, or compromising on clearly defined issues by a traditional and literal interpretation of the Bible.

- Bridges Christian College and Seminary develops Pentecostal students of spiritual discernment who model Jesus in their communities. We recognize that racism and hatred are sins that are matters of the heart. These are directly in conflict with the totality of God’s word and the love of God’s heart. Christ demonstrated this robustly through his ministry, and this was demonstrated in the Pentecostal context as all who were present were Baptized in the Holy Spirit in Acts 2 regardless of race or gender. However, we choose to define the notion of equality through the aspect of the Biblical perspective that all human beings are created in God’s image (Genesis 1:27) and all believers are purchased by the blood of Jesus through His work on the Cross (Revelation 7:9). Scripture clearly establishes that believers should love their neighbors (Matthew 22:39). We, therefore, reject the need to pollute and diminish the robust biblical definition of equality through definitions established by cultural trends, popular ideas, or societal initiatives and movements.

- Bridges Christian College and Seminary will educate students to be Christian ministers and leaders who fully discern and engage their communities, bringing glory to God. We recognize the need for compassion, grace, and the meeting of needs and believe this to be the fulfillment of being the hands and feet of Jesus. We maintain a need to train our students to do this through both the theory presented in class and the hands-on application through college outreaches and individual practicums. We maintain the need to approach cultural movements and philosophies from a traditional, conservative, and biblical worldview to preserve the integrity of the application of scripture to modern contexts.

- We believe that Christians and ministers of the Gospel should actively advocate for God’s will and heart for all people. While we are sympathetic to the concerns of the hearts of those in our communities, we reject the need to ally ourselves with groups that promote hatred for one’s enemies rather than love (Matthew 5:43-48), division rather than Christ-like unity (John 17), offense rather than forgiveness (Matthew 18:21-22), hostility rather than peacemaking (James 3:18), and dishonor rather than a display of the fruit of the Spirit (Galatians 5:13-26).

In conclusion, Bridges Christian College & Seminary passionately cultivates hearts, prepares minds, and develops skills of Spirit-empowered leaders for practical and academic ministry to fulfill the Great Commission. We champion the preparation and equipping of Spirit-filled and empowered students to serve as leaders in practical church ministry based on both biblical and contemporary principles and practices. We proudly operate from a position of biblical basis, Pentecostal distinction, and biblically defined traditional values. This position permeates and defines our collective worldview and is woven into the tapestry of all curriculum and instruction.

Doctrinal Statement

Bridges Christian College & Seminary holds to and is committed to the Doctrinal Statement of the Association of Biblical Higher Education. Other affiliations include various groups but not limited to The Assemblies of God. These various partnerships are to help populate the body of Christ with unapologetically “Spirit Driven” leaders with a passion for the lost. Bridges Christian College & Seminary holds tightly to the following doctrines.

WE BELIEVE...

1. The Scriptures are inspired by God and declare His design and plan for humanity.
2. There is only one true God revealed in three persons...Father, Son, and Holy Spirit (commonly known as the Trinity).
3. The deity of the Lord Jesus Christ. The Lord Jesus Christ is the eternal Son of God.
4. Though originally good, man willingly fell to sin – ushering evil and death, both physical and spiritual, into the world.
5. Every person can have restored fellowship with God through ‘Salvation’ (trusting Christ, through faith and repentance, to be our personal Savior).
6. We practice two ordinances:
 - (1) Water Baptism by Immersion after repenting of one’s sins and receiving Christ’s gift of salvation, and

(2) Holy Communion (the Lord's Supper) as a symbolic remembrance of Christ's suffering and death for our salvation.

7. The Baptism in the Holy Spirit is a special experience following salvation that empowers believers for witnessing and effective service, just as it did in New Testament times.

8. The initial physical evidence of the Baptism in the Holy Spirit is 'Speaking in Tongues,' as experienced on the Day of Pentecost and referenced throughout Acts and the Epistles.

9. Sanctification initially occurs at salvation and is not only a declaration that a believer is holy, but also a progressive lifelong process of separating from evil as believers continually draw closer to God and become more Christlike.

10. The Church has a Mission to seek and save all who are lost in sin. We believe 'the Church' is the Body of Christ and consists of the people who, throughout time, have accepted God's offer of redemption (regardless of religious denomination) through the sacrificial death of His son Jesus Christ.

11. There is a divinely called and scripturally ordained leadership ministry that serves the Church. The Bible teaches that each of us under leadership must commit ourselves to reach others for Christ, to worship Him with other believers, to build up or edify the body of believers – the Church and to Meet human need with ministries of love and compassion.

12. Divine healing of the sick is a privilege for Christians today and is provided for in Christ's atonement (His sacrificial death on the cross for our sins).

13. There is a blessed hope — When Jesus Raptures His Church Prior to His Return to Earth (the second coming). At this future moment in time all believers who have died will rise from their graves and will meet the Lord in the air, and Christians who are alive will be caught up with them, to be with the Lord forever.

14. There will be a millennial reign of Christ when Jesus returns with His saints at His second coming and begins His benevolent rule over earth for 1,000 years. This millennial reign will bring the salvation of national Israel and the establishment of universal peace.

15. A final judgment will take place for those who have rejected Christ. They will be judged for their sin and consigned to eternal punishment in a punishing lake of fire.

16. Believers look forward to the perfect new heavens and a new earth that Christ is preparing for all people, of all time, who have accepted Him. We will live and dwell with Him there forever following His millennial reign on Earth. ‘And so shall we forever be with the Lord.

A more detailed description of each doctrine is found in the appendix.

STUDENT LIFE

Community Life Objective

Bridges Christian College & Seminary seeks to provide leadership in an environment in which students may maximize their spiritual, social, intellectual, and physical potential.

Principles of Community and Residence Life

Bridges Christian College & Seminary is more than just a college. It is a community of believers seeking excellence in academics and personal and spiritual development. A commitment to join this community obligates each believer to a code of Scriptural and civilized community behavior. Members of the Bridges Christian College & Seminary student body are encouraged and expected to reflect Christian values such as honesty, integrity, respect for others, and compassion. The institution desires that a student will exercise prudent judgment in his or her decisions, thoughts, actions, and lifestyle. Additionally, students should be aware of how their actions reflect on the integrity of their Christian testimony and Bridges Christian College & Seminary.

Since students have voluntarily chosen to become a part of Bridges Christian College & Seminary, violations of the policies and standards of the institution will subject the student to the disciplinary processes of the institution. The institution reserves the right to suspend or dismiss any student whose conduct is in violation of its policies and standards. Upon acceptance to the institution, the student concedes to Bridges Christian College & Seminary the right to take such action. Recognizing that it is impossible to set standards upon which each individual will agree, basic standards have been established to govern the Bridges Christian College & Seminary community. The following criteria helped form the basis from which policies and standards were developed to guide the Bridges Christian College & Seminary community. See the Student Handbook for a comprehensive description of policies and standards for student conduct. In accordance with this policy, all students must sign the student life agreement form located in the Student Life Handbook.

Biblical Principles

Bridges Christian College & Seminary is committed to Biblical principles for guidance in matters of Christian character, behavior, lifestyle, and attitude.

Personal Responsibility for Christian Living

As Christians, we are each personally responsible to study and obey the Scriptures, to cultivate a heart attitude which allows for the guidance of the indwelling Holy Spirit, and to give serious consideration to the counsel of the people of God. 1 Peter 2:2; John 16:13-15; Proverbs 15:22.

Additional Academic Information

Registration

Students accepted by the institution may pre-register or register for classes at the appropriate times. See the academic calendar in the institution catalog for deadlines. The normal course load per trimester is 12 to 15 credit hours. Beyond that, the student must have the permission of his/her academic advisor. A full-time student load as per government classification is 9 or more credit hours per trimester. Classes with less than 10 registered students may be canceled.

For the doctoral program, a full-time course load is 6 credit hours, since the program is on a semester system.

While it is the student's responsibility to meet course graduation requirements, faculty advisors are assigned to students to assist the student in his/her academic life and program.

Add/Drop Course Policy

The last day to add a course is the last day for late registration. See the academic calendar. To avoid loss of tuition paid, a student must drop a course prior to the first class. After the first class, tuition refunds are calculated as per the refund policy. To avoid completion ratio academic penalty (quantitative academic progress) a student must drop a course prior to the third week of class. To avoid GPA academic penalty (qualitative academic progress) a student must voluntarily withdraw from a course prior to finals week.

Academic Year

An academic year consists of three trimesters for the undergraduate and master's levels. Each trimester is 11 weeks with 37.5 hours of instruction and student interaction for 3 semester credit hours. See the academic calendar for the parameters of each trimester within an academic year. Because the institution is on the trimester system, students have the option to complete degree requirements within three years.

Full-time attendance at Bridges Christian College & Seminary is a minimum of 27 semester credit hours (9 credits per trimester) in an academic year. For Title IV purposes, an academic year consists of 33 weeks and at least 27 semester credit hours per year.

For the doctoral level, an academic year consists of a fall and spring semester. Each semester is 16 weeks with 37.5 hours of instruction, research, and student interaction for 3 semester credit hours. Full-time at the doctoral level is 6 credits.

Class Attendance

Grading will be based upon completion of coursework, exams, and class attendance. Students who miss more than 25% of a class will automatically receive an "F" for the class. However, if a student has missed more than 25% of the class because of extenuating circumstances such as medical or family emergency, a student must submit an absentee form secured from the Office of Admissions and must be filed with the teacher within one week of return to class. The student will be given additional Directed Research to make up the class instruction missed beyond the 25% level. The Directed Research may require an additional fee.

BCCS Catalog 2024-25

Bridges Christian College & Seminary provides two options regarding classroom delivery: Live Web Presentation (synchronous) Plus Threaded Discussion, and Recorded Presentation (asynchronous) Plus Threaded Discussion. Both delivery methods must require the same amount of time. At the beginning of each trimester, students must designate the delivery method for which they will participate. The instructor of record, for each course, will be provided a list of students enrolled in each delivery method. Should a student decide to change his delivery method, a change of intent form must be completed and submitted to the course instructor for approval by email. Once the instructor's approval has been obtained the instructor must submit the form to the Vice President of Academic Affairs by email. The VPAA will not entertain a student's decision to change the delivery method without the instructor's email.

Students who need to miss a class/ required activity due to work/other responsibilities must let their instructor or activity leader know of the planned absence at least 12 hours before the class. Students who do not inform the instructor or activity leader will be considered absent.

Students who randomly miss a live class will be counted absent if the instructor/activity leader is not notified of a student's decision to take the web forum class, at least one hour before the scheduled class. An excused absence will be given at the discretion of the instructor/activity leader.

The only exception to this rule applies to the doctoral program, which only has live (synchronous) classes plus threaded discussion.

Classroom Hours/Academic Credits Defined

Every 12.5 hours of instruction in the classroom constitutes one semester credit hour. A three-credit class, therefore, would mean 3.41 hours of classroom instruction per week for an eleven-week term. A student, taking a 3 credit course, will complete a total of 37.5 hours of classroom instruction combined with 75 hours of academic work outside of the classroom instruction. This work includes but is not limited to the following: reading and written assignments, student projects, presentation preparation, sermon preparation, etc.

Curriculum

All of BCCS's Curriculum whether virtually/online or on campus is identical in the materials or time required.

Final Exams

Apart from internships, all academic courses have final exams which must have a proctor confirm the integrity of the test by monitoring the student during the test.

Digital Portfolio

The student will assemble a digital portfolio which details his/her academic and experiential learning experiences which demonstrate that the student has achieved the Academic Learning Outcomes. The student will include sample projects, research papers, essays, reflection papers, critical book reviews and journal reviews, photographs, videos, personal journal entries of spiritual growth, etc. The student will submit his/her digital portfolio for faculty review prior to graduation. If the student's digital portfolio does not reflect the academic standards of the institution and the achievement of the institution's academic learning outcomes the student will not graduate. This applies to the undergraduate and MABS programs only.

Undergraduate Academic Probation

After a trimester's grades have been posted, a student is placed on academic probation when his/her trimester GPA drops below 2.0 in a trimester. This academic probation will restrict the number of hours a student may enroll to 9 trimester hours or less depending on the recommendation from the student life department. In addition, the student may be required to only attend live lectures until the GPA is raised satisfactorily.

If a student is placed on academic probation, then he or she will be required to attend a weekly remediation lab for ten weeks.

In addition, students who are on scholarship, and who fall below a 2.0, will be given one trimester to raise his or her GPA. If the student fails to do so in the following term, then he or she will lose the scholarship and could face expulsion. Students are welcome to appeal this decision to the executive administrative committee if they have developed a written plan to raise their GPA up to the standard.

Graduate Academic Probation

After a trimester's or semester's grades have been posted, a student is placed on academic probation when his/her trimester GPA drops below 3.0 in a trimester or semester. The student will have one trimester or semester to raise his or her grade. If they are unable to raise the grade, then they could face expulsion from the program.

Undergraduate Academic Recognition

Students enrolled in 9 undergraduate academic hours or more per trimester at BCCS may qualify for the Academic Dean's Honor List by earning a GPA (Grade Point Average) of 3.5 or better.

Academic and Student Ministry Grades

At the end of each trimester a student's grades will be posted in bridges.campussis.com for review by the student. Note: The grades will not be available until all class surveys are completed. Academic warning and probation notices will also be sent when necessary.

Plagiarism

BCCS regards plagiarism as a serious academic offense and can result in academic probation, suspension, or dismissal from the program. The access to digital material has increased the temptation of students to copy and paste written assignments when under the pressure of deadlines. Students who violate the plagiarism policy will be disciplined appropriately for the offense. However, in some cases, it is due to a lack of knowledge and understanding as to what plagiarism is:

1. Plagiarism is "academic theft." It means to "use, to pass off as one's own." It is the stealing of someone else's words and/or ideas and representing them as one's own work. Such, plagiarism covers a broad range of offenses including:
2. Copying any portion of a paper, article, magazine, or book without proper notation.
3. Using, in part or whole, an assignment for more than one class without the prior consent of both professors.
4. Having another individual write part or all of an assignment.

Incomplete Grades

Upon approval of the Vice President for Academic Affairs, a student who is unable to complete a course due to a medical emergency or personal crisis, and who is passing the course will receive an Incomplete (INC) for the maximum of six weeks beyond the end of the trimester. The grade earned by the student will be posted to his or her official record at the end of the sixth week. The student may petition to extend the six-week deadline by filing a formal appeal with the Vice President for Academic Affairs.

Directed Research

In a situation where a student has transferred from another institution, Directed Research course may be available to make up any deficiencies in credits (\$100 per credit in addition to normal tuition). Any requests for Directed Research must be made in writing to the academic affairs committee for consideration. Directed Research must be approved by the academic affairs committee before a directed research project can begin. The student has 11 weeks to complete the Directed Research project. In the event of a failure to complete the project in the allotted time, the student must request an extension of time. The student will be required to pay an additional fee to continue the project. Since a uniform educational experience is achieved through a consistent classroom curriculum, Directed Research projects tend to interrupt the normal educational process. This option is available for junior and senior-level students whose GPA exceeds 2.5.

Incomplete and Extension

Exams, presentations, written assignments, projects, etc. will not be accepted after the due date. If a student has extenuating circumstances, the student must appeal to the Vice President for Academic Affairs' office. Extensions must be requested in writing before the end of the term and may be granted by consent of the instructor and VPAA. The faculty member will establish an appropriate due date by which the student must submit all outstanding assignments. If the student fails to submit the outstanding assignments by the agreed-upon date, the student's achieved grade will be entered into the student's permanent record.

Dual Enrollment

Dual enrollment in other institutions outside of Bridges Christian College & Seminary must receive approval from the Director of Admissions and Vice President for Academic Affairs.

Transcript Requests

To request a transcript, the student must submit a transcript request form (located on the website). No transcripts will be issued if the student has an outstanding balance with the Business Office. The cost for processing transcripts is \$10.

Transferability of Bridges Christian College & Seminary Credits.

Bridges Christian College & Seminary is fully accredited by the Association of Biblical Higher Education. Furthermore, it is every institution's prerogative concerning what credits they accept. Students have received consideration of credit transfer at other institutions when the appropriate documentation is provided. If a student desires to transfer credits to another institution, BCCS recommends that the student check the policies of the institution to determine if the institution will accept BCCS credits prior to enrollment at BCCS.

Virtual/Online Education

Bridges Christian College & Seminary offers an exciting, alternative way in which church leaders, worldwide, may achieve their goals of earning a Bible college degree. Earning a Christian college degree no longer requires you to leave your home, job, and ministry in order to "go to Bible College." This educational strategy will allow you the flexibility to enroll in undergraduate courses that can be taken in the convenience of your own home or office – anywhere in the world!

BCCS online methodology provides quality distance learning based upon electronic communication via online streaming.

Christian leaders desiring to further their education are often confronted with some of the following obstacles:

- Lengthy distance to a college campus
- Family responsibilities at home
- Currently in full-time ministry
- Limited monetary resources
- Time away for formal education

Clearly, the campus experience is valuable for those who are able to attend, but for many, it is simply not possible. Today, more and more people are advancing their careers and fulfilling their pursuit of higher education in the convenience of their own homes without taking time off from work or spending time away from their family.

But, for the Christian leader searching for an alternative higher education delivery vehicle, BCCS Online meets that requirement by providing affordable, quality instruction and access to a degree-granting institution.

Undergraduate and Master's Degree Virtual Learning

Bridges Christian College & Seminary employs an Asynchronous and Synchronous Online Learning paradigm. This Online learning model provides an opportunity for students to connect, by way of the live internet classroom interaction, to a learning community of fellow students, and seasoned professors in the arena of distance education. Bridges' online assumes that each student is familiar with the basics of computing technology. Connectivity provides the means for cyber learners to become part of an exciting, media-rich learning environment. BCCS online features:

1. All Students are required to attend an orientation session.
2. Online faculty who include members of BCCS's instructional staff.
3. Positive interpersonal electronic communication.
4. A mentoring component that provides spiritual, academic, and social advising designed to help students reach life's ambitions and goals.
5. Classes are delivered live via high-speed internet, which have two way live streamed communications.
6. An eleven-week time-frame for courses.
7. The classes have set times in which a student may be online for live two-way interaction. If a student cannot attend live, then he or she can watch the recorded lecture at a later point.
8. All Online Classes are live, synchronized, and recorded. The communications consist of streaming video and audio (all students and faculty).
9. Students can voluntarily meet at their home church with other BCCS online students who provide academic, spiritual development and mentoring.

10. Weekly reading, writing, and study assignments are distributed with the syllabus at the beginning of each session.
11. The curriculum is accessed on the Internet with detailed assignments for each week, helping students adjust their schedules accordingly.

Students who cannot attend a classroom session during its live broadcast may elect to participate in BCCS a-synchronous online program. Students who need a class that is being offered at a time prohibited by work conflicts may petition the faculty member for permission to attend class using BCCS a-synchronous online paradigm. The student must watch the recorded lecture which was delivered live in the synchronic online program. After watching the lecture, the student must interact with fellow students and the faculty member with threaded discussion within bridgesecampus.com online software to demonstrate that the student has accomplished the following: 1. watched the lecture, 2. understands the material, 3. can demonstrate critical thinking concerning the academic materials within the lecture. This interaction must be demonstrated weekly by the student. If a student fails to meet these additional requirements, the student will be dropped from the class for non-attendance.

Doctoral Degree Virtual Learning

Because it is important for doctoral students to have live interaction, then students in these programs are required to attend the seminars synchronously with the instructor. This results in the doctoral program being offered in a 16-week semester format (fall and spring). However, all other online requirements will be the same as the undergraduate and master's degree programs at BCCS.

How to Learn Online

Studying online represents a new learning experience for both teachers and students. The learning environment and time of study can be very different from the traditional classroom setting, but with the live interactive experience, the students have the classroom experience without leaving their communities and church families.

Several key features enable this environment which offers different ways of learning and communicating with other students and teachers. They include accessing the class via the internet, online course materials, navigating through web pages, searching the internet for information, sending/receiving email, and participating in online discussions via forums and chat sessions.

Each of these features requires new skills which must develop in order for the student to become a successful learner in the online environment. A key component that a student must fulfill is his/her video presence during the classroom experience. If a student fails to fulfill this requirement, the student will be required to participate in the a-synchronous modality which will require additional assignments beyond the 112.5 hours. See asynchronous for specific details.

Online Curriculum

The institution offers a strong schedule of courses in such a cycle that all courses necessary for its degree and certificate programs are offered in a four-year rotation. A proposed online plan may be obtained by emailing the institution or reviewing it on the institution's website.

Tuition and Fees

BCCS online is one of the most affordable cyberlearning programs available. Financial information relevant to the online student may be summarized in the "Financial Information" section below.

Students must be enrolled prior to the Add/Drop deadline listed in the institution academic calendar. No student is permitted to miss more than 25% of the academic instruction at which point the student is assigned a failing grade.

Online Access

www.bridges.campussis.com student module contains the classroom login information. This information can be found in the student's course schedule with the classroom number data field. The course-specific syllabus will be in the www.BridgeseCampus.com classroom management software.

Textbooks

Textbooks can be purchased online. The textbook for each class is listed in the faculty's syllabus and can be accessed on the textbook list on the website.

Technology Requirements

BCCS Catalog 2024-25

Students must have adequate computer equipment and sufficient skills to be able to receive instruction through this medium. To study online, you will need a computer/laptop and a broadband connection to participate in the online class. See the lists below for both the Minimum and Recommended Computer Requirements. While this minimum configuration will enable you to take classes, a faster computer, more memory, and a faster Internet connection will always give you a better experience.

The online program was developed to work with standard PCs running Windows. A Mac will be able to successfully participate in our online programs with some minor software patches.

The online classes require students to connect to the internet to view the course content and to download class discussion notes. In order to connect to the internet, you will need an Internet Service Provider (ISP).

Students are required to secure the necessary internet broadband access. Typically, internet service providers grant access from \$50-\$100 per month. The student must gain access and maintain access during the entire trimester. Recommended broadband service should meet or exceed 3.0 megabyte down and 386 kilobytes up since ISPs never guarantee broadband speeds.

The institution recommends the student purchase the fastest speed he/she can afford. The student must have a headset, microphone, and video camera which provide isolation between the audio sound and microphone. A Polycom CX100 (\$125.00) provides a noise canceling audio which enables the student to participate in the classroom experience without the need for a headset.

The student must submit a document to bridgesecampus.com classroom management website in Microsoft Office format. The student may elect to download “Open Office” or use Microsoft’s Student Edition of Word and PowerPoint. The institution requires students to submit documents in .doc or .docx formats. The student and faculty portal software requires the latest edition of either Firefox, Safari, Chrome, or Maxthon. Internet Explorer is not fully compatible with HTML 5 and will not function with the faculty and student portal.

The institution strongly recommends that each student protect themselves and others from the potential damage from a computer virus. BCCS requires that each online student have an anti-virus software program installed on their computer and actively run while taking classes. Any student who allows a virus to enter the system will be removed from class until they can demonstrate that their system is clean and that they have an anti-virus software program monitoring their system.

Students must check their system often (at least weekly) for spyware. We recommend using the most current available software.

Classroom Etiquette

The following is what is expected of students in the online format of education. The purpose of this information is to assist students in understanding proper classroom behavior.

The classroom should be a learning-centered environment in which faculty and students are unhindered by disruptive behavior. Students are expected to maintain proper decorum in the classroom.

Bridges Christian College & Seminary is an institution of higher education that promotes the exchange of ideas. However, students must adhere to the rules set forth by the instructor. Failure to comply with classroom rules may result in dismissal from the class and/or the institution. Faculty have the authority to manage their classrooms to ensure an environment conducive to learning and Biblical principles.

Bridges expects each student to abide by the following policy as it relates to classroom etiquette and respect of faculty and other staff personnel:

- Take responsibility for one's education - There is a common myth among students that because they pay tuition they deserve to receive credit for the class. This is not true. In fact, students pay only a portion of the cost of their education; the institution and faithful donors pay the rest. Instructors are here to create a learning environment. Whether a student learns depends on the student's willingness to listen, ask appropriate questions, and do the work necessary to pass the course. If the student's academic preparation from high school is weak or if he/she has been out of school for a period of time, the student may have to work harder and seek more help in order to succeed.

BCCS Catalog 2024-25

- Attend every class - One will find that students who attend every class, listen to the instructor and take good notes will be more likely to pass (with a higher grade). If a student has an emergency or illness, then he/she should contact the instructor ahead of time to let her/him know that you will be absent. A local study showed that students who missed the first class meeting were more likely later to withdraw or fail. Important note: if a student misses a class it is his/her responsibility to meet with the instructor, outside of regular class time, to determine a plan to make up the missed work.
- Get to class on time - Students who arrive late or leave early distract other students, the professor, and disrupt the overall learning environment. Ultimately, the student is affected academically. The same is true for online courses.
- Turn off cellular phones - It is very distracting to hear someone's phone go off in class or in the online portal. Students are to stay focused, pay attention, and get the most out of the time they have in class.
- Keep video on during the livestream - Students are expected to have their videos on during the livestream. This is to help with student and teacher interaction.
- Do not dominate other students' opportunities to learn by asking too many questions - It's good to ask questions and make comments, but if a student dominates the class time with too many questions and/or comments, the instructor and other students cannot participate in class discussions. When asking questions or making comments, the student should keep them related to the discussion at hand.
- Respect one's instructor and refer to them by their title (i.e., Dr. Miller) - Openly challenging the instructor's knowledge or authority in the classroom is not proper. If a student takes issue with the instructor's information or instructional methods, then he/she must make sure that his/her comments are made without disrespect or antagonism. The student may want to discuss his/her issues with her/him privately. It is also important that when communicating with faculty, staff, and administration that proper titles be used as a form of respect for their position.
- Instructors' classroom policies, procedures and teaching styles vary - Assignments and classroom activities are at the prerogative of the instructor. Each instructor has the freedom and authority to set the guidelines and policies for their classroom (within the overall policies of the institution).

- One's classmates deserve respect and support - Others may have different ideas and opinions from a student's, they may ask questions you perceive to be "not relevant," but they deserve the same level of respect.
- Come to class prepared - Students who forget common classroom materials, deadlines, and assignments hinder their learning experience. Students who have not completed their assigned work many times ask questions that could have been answered through their assignments.
- Turn in one's work on time - It is important to plan ahead. Students who wait until the last minute to do their work usually make lower grades and are more likely to miss deadlines. Students are to study and do their assignments every day. If a problem occurs at the last minute such as a computer malfunction, the student will still be prepared.
- When having academic difficulty seek assistance - Our instructors are willing to assist students, however there are other ways to get help. Bridges Christian College & Seminary has resources and tutors who are available for many courses. Remember, the Vice President for Student Life can assist students with conflicts in the classroom, personal accountability, and career development.

Online Student Ministry Requirements

Students enrolled in the BCCS Online program must successfully complete the Student Ministry Units required to graduate. The student must select a qualified person and receive approval for this person from the Student Life Office to oversee one's student ministry. This person typically would be a pastor or associate pastor from one's church or auxiliary ministry (Homeless shelter, outreach ministries, etc.). The approved student ministry person will submit a report to BCCS's Student Life Office documenting the successful completion of his/her student ministry requirements.

In order to foster community between students and administration, the student is encouraged to complete one of these student ministry units through one of the weekly missions opportunities offered by Compassion Corps International. The experiences are one week long and include housing at All Nations Fellowship. The student may choose from multiple experiences at the main campus which include: (1) annual foreign missions trip, (2) Mardi Gras Outreach, (3) Immerse NOLA Youth Rally, and (4) Urban Vibe Outreaches. Please see the academic calendar or call the main office for dates.

Student Ministry Practicums

The student ministry practicums and internships provide an integral part of the education process. Intellectual knowledge without practical application and experience does not guarantee a successful ministry in the real world. The student ministry program integrates academic knowledge with hands-on experience. The proven historical method of this integration has been apprenticeships. The success of apprenticeships results from the merging of a mentor’s skillful guidance with the student’s development of a learned skill set through practice. BCCS desires to immerse the student in ministry settings with the guidance of a skilled mentor. The resulting experience allows the student to explore various ministry opportunities found in non-threatening learning environments. The student ministry practicums provide the student with opportunities to explore and discover ministries to which God will call the student. The expression “practice makes perfection” overreaches the reality of student ministry practicums, but practice surely does not hinder one’s development of excellent ministry skills through mentorship and ministry practice.

International Students

Currently, BCCS cannot issue I-20 student visas. The institution is a completely virtual school and does not offer campus housing.

It is the responsibility of international students to ensure that degrees from BCCS fulfill the requirements in their native countries.

FINANCIAL INFORMATION

Cost of Education

Bridges Christian College & Seminary makes every effort to keep students' educational costs as low as possible. BCCS is a college of faith where the administration, faculty, staff and students alike trust God by faith for His supply (I Timothy 1:4b). Student fees pay only a portion of the institution's operating expenses each year. Supporting churches and individuals subsidize the operating budget of the institution. This represents a sizable investment in every student's education. While the institution depends on the Lord in faith for its financial support, some educational costs must be met by the student by faith.

Every student qualifies for our Ecclesiastical Scholarship (with the pastoral reference). Please see the section below titled "Grants and Scholarships."

BCCS follows the following schedule of payment:

1. For returning students, the registration deadline is 2 weeks before class begins. If a student does not meet this deadline, a late registration fee of \$75.00 will be added to their bill the day after the deadline passes.
2. The day after the registration deadline, invoices will be sent out to students, notifying them of their amount due.
3. After invoices have been sent out, a follow-up e-mail will be sent out giving students details on the bill, its due date, and ways to pay it. Students will be given approximately 2 weeks to pay their bill--due date will always be the day after classes begin. Students also will be notified in this e-mail that if they do not pay or make arrangements for paying by the deadline, a late payment fee of \$50.00 will be added to their bill the day after the deadline passes.
4. If a student misses the deadline and the late payment fee is incurred, they will have 4 weeks to pay their bill. If they do not pay by this late payment deadline, all of their access to the online learning system will be shut down.
5. For new students, the registration deadline will be the day before class begins, and the payment due date will be 2 weeks thereafter. Late fees will be incurred as mentioned above if these deadlines are not met.

No refund after the second week of classes. Students who do not attend class in the first two weeks of school and do not communicate with the school during this time are automatically withdrawn and do not receive a refund.

Important note: This policy does not pertain to the \$200.00 technology fee due at the beginning of each trimester that covers each student’s registration costs to the school. This fee is non-refundable and due regardless of course withdrawals/drops.

FEDERAL ASSISTANCE PROGRAM OFFERED: FEDERAL PELL GRANT

BCCS DOES NOT PARTICIPATE IN TITLE IV STUDENT LOANS PROGRAMS.

General Eligibility Requirements and Deadlines

BCCS Catalog 2024-25

A student seeking financial aid must be a U.S. citizen or an eligible non-citizen; be seeking a degree, diploma or certificate; have a high school diploma, GED, or prove ability to benefit by passing an approved test; not be in default on any educational loan; not owe a refund on a federal grant; agree to use federal aid solely for educational purposes; and make satisfactory academic progress. Applications for federal student aid must be submitted on an annual basis. The Free Application for Federal Student Aid (FAFSA) and the Institutional Financial Aid Application should be filed as soon after the first of the year as possible. Priority consideration is given to students who submit these documents by March 1 and complete their files by April 15 for the next academic year. The Financial Aid office can also provide a hard copy of the FAFSA to complete.

Federal Pell Grant: This is a federally funded grant based on financial need. A Free Application for Federal Student Aid (FAFSA) must be filed annually to determine eligibility. The FAFSA may be completed online at www.fafsa.gov. The amount of the grant depends on the student's (a) family contribution, (b) enrollment status, and (c) length of time enrolled during the academic year.

Application Dates

Applications for financial assistance are available after January 1 of each year for the following academic year (August-May). The Free Application for Federal Student Aid (FAFSA) can be submitted online at www.fafsa.gov and should be completed by March 1. Priority is given to students whose FAFSA's are submitted by March 1 and whose files are accurate and complete by April 15. To have funds ready at registration, the following deadlines are suggested: Apply by May 1 and have a complete and accurate file by July 1. Students planning to attend summer school need a FAFSA filed for the academic year preceding the summer session. Students are required to apply for institutional aid prior to the end of late registration each trimester. After the end of late registration, students cannot be awarded any additional institutional financial aid even if otherwise eligible.

Verification

Some students that complete the FAFSA may be selected for a process called verification. If selected for verification, federal regulations require that BCCS verifies certain things that a student has stated on their FAFSA form. Students will be notified through their BCCS email if selected for verification and what items are required.

Verification must be completed by the earlier of:

- 120 Days after the last day of student enrollment
- The federally set deadline which has not yet been released for the 2023-2024 school year.

If a student fails to submit the requested documentation by the deadline, the student is no longer eligible for their Pell Grant disbursement. BCCS will notify students of their expected family contribution and Title IV amounts, as well as any changes resulting from verification, through the student's BCCS email.

Financial Aid Eligibility

The financial aid lock in date is the last day a student can receive a 100% refund. This date will determine Pell Grant eligibility. Classes added after this day will not be eligible for additional federal aid. Federal Pell Grants will prorate by the number of credit hours registered for on this day. Students receiving Pell funds are required to attend at least one class period in each course to become eligible for funding. Please see the Financial Aid Office for these program requirements.

Return of Title IV Federal Funds

Introduction

If the student withdraws from the institution, federal law and regulations specify how BCCS must determine the amount of Title IV program assistance that the student has earned. To qualify for Title IV financial aid, the student must attend a class. Though the student aid is posted to the student's account at the start of each trimester, the student earns the funds as he/she completes the trimester. If the student withdraws during the trimester, the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If the student received less assistance than the amount that he/she earned, the student may be able to receive those additional funds. If the student received more assistance than he/she has earned, the excess funds must be returned by BCCS and/or the student. A return of Title IV (R2T4) funds calculation is performed when a student who is awarded federal funds withdraws from a trimester or the institution. When a student files an official withdrawal from all courses or the institution, that date provides the "Withdrawal Date" and the "Date of Determination" for R2T4. When a student fails to attend any of the courses during the first two weeks of a trimester, the student is automatically withdrawn from the trimester and NO financial aid is awarded. The student can appeal this decision, if extenuating circumstances are present, and the student can make up the missed course lectures, forums, and assignments. Students are required to complete 75 percent of a course's lecture and forum participation. If a student misses greater than 25 percent of ALL course lectures and forum requirements and does not have extenuating circumstances that are approved by the academic dean, the student will be withdrawn from the trimester. When the institution discovers that a student has failed to meet the attendance requirement for ALL classes, the student will be provided with a withdrawal notice for the trimester based on non-attendance. The "Date of Determination" will be the date the institution discovers that the student has failed to meet the institution's attendance requirements for all courses. Once the "Date of Determination" is established, the institution must R2T4 all unearned funds within 30 days.

The Financial Aid Office uses software provided by the U.S. Department of Education to complete this calculation. The student's account statement and financial aid record is used in conjunction with this software.

Estimate of Aid Earned or Aid That May Need to be Returned

The amount of assistance that the student has earned is determined on a pro rata basis. For example, if the student completed 30% of the trimester, the student earns 30% of the assistance the student was originally scheduled to receive. Once the student has completed more than 60% of the trimester, the student earns all the assistance that the student was scheduled to receive for that trimester. This means that if a student receiving federal Title IV aid withdraws after completing 60% of the trimester, no Title IV funds will be returned. The student is considered to have earned 100% of the Title IV aid for the trimester. Here's an example of how the student can estimate the percentage of Title IV aid that the student has earned in a trimester (enrollment period).

Enrolled Days

Days in the Enrollment Period

=%Title IV Earned By Student

The student can also compute a rough estimate of the amount that he/she may be required to repay prior to withdrawing by using the U.S. Department of Education's Treatment of Title IV Funds When A Student Withdraws form.

Unofficial Withdrawals and Earning All Non-Passing Grades

If the student fails to earn a passing grade in at least one of his/her courses (i.e. all F's, NC's, all I's or a combination of non-passing grades during a trimester, the student is considered to have, for purposes of federal Title IV funds, unofficially withdrawn from the institution. As a result, a federal withdrawal calculation must be performed to determine the amount of Title IV funds that the student must repay. The only exception is when BCCS can document (within 30 days of the end of the trimester) that the student should not have been considered unofficially withdrawn. For example, that a student was academically engaged after the 60% point of the trimester or that a student did not meet the requirements for administrative withdrawal in an online course. Once trimester grades post, and if a student fails to earn a passing grade in at least one of his/her courses, BCCS will perform the federal withdrawal (Return of Title IV) calculation.

Post-Withdrawal Disbursement

If a student did not receive all the funds that he/she earned, the student may be due a post-withdrawal disbursement. BCCS may automatically use all or a portion of our post-withdrawal disbursement of grant funds for tuition and fees. BCCS needs the student's permission to use the post-withdrawal grant disbursement for all other school charges, and this permission is received each trimester by each student when the student approves his/her bill and agree to the terms and conditions of registration in the student's BCCS student portal. There are some Title IV funds that the student may have been scheduled to receive that cannot be disbursed to him/her once the student withdraws because of other eligibility requirements.

Returning Title IV Funds

If a student or BCCS receive excess Title IV program funds that must be returned, BCCS must return a portion of the excess equal to the lesser of:

1. The student's institutional charges multiplied by the unearned percentage of the student's funds, or;
2. The entire amount of excess funds.

BCCS must return this amount even if BCCS didn't keep this amount of his/her Title IV program funds. If BCCS is not required to return all of the excess funds, the student must return the remaining amount.

Overpayments

Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment that the student must repay is half of the grant funds the student received or was scheduled to receive. The student does not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. The student must make arrangements with BCCS or the Department of Education to return any unearned grant funds.

Non-Attendance

If a student is a Pell Grant recipient, federal regulations require the student to have begun attending the courses for which he/she is enrolled and receiving these grants. If on the final roll sheet distributed to instructors to confirm attendance, the student's instructor indicates that the student is not attending a course, the student is assumed not to have begun attendance for that course. The student's grant will then be adjusted or cancelled based on the courses the student has begun to attend. If the student fails to begin attendance in all the courses for which the student is registered, the student will have failed to establish eligibility for financial aid. In this situation, the student will be required to repay all the financial aid that he/she has received.

Last Date of Attendance Determination for Programs.

The Financial Aid Office uses the student's last date of attendance in calculating whether or not Title IV funds have to be returned to Federal Student Aid. These attendance records are received through CampusSIS.com, BridgesEcampus.com, or instructor records. Additionally, other academic records in BridgesEcampus.com may be used to help determine the last date of attendance, such as when a student submitted an assignment or completed an assessment in BridgesEcampus.com.

Federal vs. Institutional Refund Policy

The requirements for federal Title IV program funds when the student withdraws is separate from any refund policy that BCCS has regarding institutional grants and scholarships or other non-federal financial aid. Therefore, federal funds may not cover all unpaid institutional charges due to a student's withdrawal, and the student may still owe funds to BCCS to cover any unpaid institutional charges. BCCS may also charge the student for any Title IV program funds that BCCS are required to return. If the student is not familiar with BCCS's refund policy, he/she should contact the Student Billing Office at Business@bcc.edu email or phone 855-702-7434 to ask for a copy.

Withdrawal Requirements and Procedures

The student may contact the Registrar's Office by email (drfreeman@bcc.edu or phone 855-702-7434) so that they can provide the student with the requirements and procedures for officially withdrawing from school. When considering withdrawing from the institution, students are encouraged to contact the Financial Aid Office first to see how the withdrawal could affect their aid. The Financial Aid Office will assist the student in making an informed decision. Students can contact Financial Aid at financialaid@bcc.edu or by calling 855-702-7434.

Satisfactory Academic Progress Policy (SAP) - Undergraduate

Bridges Christian College & Seminary is required by law to formulate standards to gauge the progress of students receiving financial assistance through federal, state, or institutional aid programs by applying both qualitative and quantitative measurements to academic work [34 CFR 668.16(3)]. These measurements shall be used to determine a student's eligibility for all federal Title IV aid and for other need-based financial assistance, unless the terms of a particular grant or funding source states otherwise.

Time Frame Used in Measuring Progress

All SAP measurements are calculated annually at the end of the spring trimester for all programs. Financial Aid Suspension will go into effect at the start of the following fall trimester.

Qualitative Progress Measurement: Minimum Cumulative Grade Point Average

A cumulative Grade Point Average (CGPA) of 2.0 or higher must be attained by the end of the student’s first spring trimester. Students that transfer credits from other institutions will also have this GPA calculated in the CGPA. This average must be maintained at the end of each subsequent spring trimester for a student to continue to receive financial aid. Students who do not meet this minimum CGPA requirement will be placed on Financial Aid Suspension. According to BCCS academic grading policy, only the latest grade for a repeated course is calculated into the CGPA. More detailed information on how the CGPA is calculated can be found under the Academic Policies in the catalog.

Quantitative Progress Measurement No. 1: Number of Credit Hours Required to Complete

When students enroll for classes and receive financial aid to pay for them, students are expected to complete those classes. If students do not complete at least 67 percent of the credit hours that are attempted during the year, the student will be placed on Financial Aid Suspension. Only passing grades count as successful completions. Incomplete or other grades that do not result in earned credits will not count as completions.

Hours Attempted	Hours Required to Complete	Hours Attempted	Hours Required to Complete
24	18	23	16
22	15	21	14
20	14	19	13
18	12	17	12
16	11	15	11

14	10	13	9
12	8	11	8
10	7	9	6
8	5	7	5
6	4	5	4
4	3	3	3

Quantitative Progress Measurement No. 2: Maximum Time to Complete a Degree

Students must select a program/degree of study before they can receive financial aid. When students receive financial aid to help pay for a program/degree of study, they are expected to complete that program without taking a lot of time. A student's progress may be evaluated for only one program at a time.

Each financial aid applicant must select a primary program/degree of study prior to receiving financial aid payments. A student who is concurrently completing more than one program or major may request additional time to complete the program. A request for additional time must be submitted in writing to the Financial Aid Office.

To make sure that students complete their program in a reasonable amount of time, a limit set by law has been placed on the number of hours that students can attempt in order to complete the program/degree. That limit is 150 percent of the minimum number of hours required to complete the program/degree. (For example, if you are in a program/degree that takes 66 hours to complete, you must finish your program within 99 attempted hours. If you are in a program/degree that takes 120 hours to complete, you must finish your program within 180 attempted hours.)

BCCS Catalog 2024-25

Once students reach the 150 percent limit, they will no longer be able to receive additional financial aid payments. There are many variables that go into calculating that limit, including, but not limited to:

- All attempted credit hours are counted regardless of whether or not financial aid was received to pay for them.
- Any transfer hours that are accepted from other colleges toward completion of the program are counted. If you are a transfer student, you must submit transcripts from all previous colleges.
- If a course is repeated, all attempts are counted.
- If a student withdraws from a course, it is still counted as an attempt.

Note: If a student cannot complete the program within the 150 percent limit, they will be placed on Financial Aid Suspension when that determination is calculated. Students have the ability to submit an appeal for this determination.

Financial Aid Suspension

If a student fails to meet any one of the SAP measurements described above, they will be placed on Financial Aid Suspension. While on suspension, students will not be eligible to receive any financial aid. Students will be notified of this via their campus email address.

Reinstatement Procedures

To regain financial aid eligibility, a student must pay the expenses related to at least half-time enrollment (6 or more hours in a trimester) during the period of suspension and satisfy all SAP requirements. After meeting all SAP requirements, the student must request reinstatement of eligibility in writing to the Financial Aid Office.

Appeal Process

Students placed on Financial Aid Suspension may petition the Financial Aid Department to consider mitigating (special) circumstances that resulted in inability to meet the SAP requirements. The appeal must be typed and must include the Suspension Appeal Form, an explanation with supporting documentation (i.e., medical statements, divorce documents, letters of unemployment, etc.) of the reason(s) the minimum academic standards required by SAP policy were not achieved within 14 days of notification. Additionally, each appeal must be submitted with a letter of endorsement from a BCCS faculty/staff member. The appeal narrative and documentation should also demonstrate that the adverse circumstances have been resolved. All appeals will be reviewed within 7 business days of the Financial Aid Office's receipt of a complete appeal (appeal form, student's appeal letter, endorser letter and supporting documentation). Notification of the review will be sent via BCCS email. For appeals that have been approved, students will be placed on Financial Aid Probation for one academic year, beginning with the next fall trimester. SAP will be calculated again at the end of the spring trimester; if the cumulative standard is met, students will be placed back in good standing. Students that meet SAP for the academic year, yet are not meeting the cumulative requirement, will remain on Financial Aid Probation until the requirement is met. For students that have been denied, there is another level of appeal. The student must request, in writing, a review by the Financial Aid Committee. Appeals that have been approved at this level will be required to see an academic counselor in order to tailor the class schedule for student success.

Summer Enrollment and the SAP

When calculating the SAP status, summer attempted hours will be counted toward the 150 percent maximum, and summer grade points earned will be calculated as part of the cumulative grade point average. The rule pertaining to completion of a minimum number of attempted credit hours will not be calculated for summer enrollment.

Financial Aid Will Not Pay For:

Any credit hours in excess of the 150 percent maximum program limit (see discussion of Quantitative Measurement No. 2 above)

BCCS Catalog 2024-25

- Courses taken by audit
- Credit hours earned by placement tests
- Courses registered for after the official certification date of the trimester (last day to receive 100% refund)

Additional Questions

If the student has questions about his/her Title IV program funds, the student can contact the Financial Aid Office at financialaid@bcc.edu or phone 855-702-7434. The student may also call the Federal Student Aid Information Center at (800)4-FEDAID [(800)433-3243]. TTY users may call (800)730-8913. Information is also available on Student Aid on the web at www.studentaid.ed.gov.

Accident and Health Insurance

The institution does not assume responsibility to provide medical care in case of either accident or illness even though the accident or illness may occur on campus or in the discharge of duties or activities pertaining to the institution program. A form absolving the institution of all responsibility must be signed before participating in events at the main campus.

HIPAA

Bridges Christian College & Seminary has adopted a Health Information Physical Security Policy that complies with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Department of Health and Human Services security and privacy regulations requirements to protect the security of health information. In addition, we consider it our duty to protect the privacy and integrity of confidential information as required by law, professional ethics, and accreditation requirements.

Student Self Support

Students are encouraged to become independent and manage their finances and budget. Today, more and more people are advancing their careers and fulfilling their pursuit of higher education in the convenience of their own homes without taking time off from work or spending time away from the family.

However, for the Christian leader searching for an alternative higher education delivery vehicle, BCCS meets that requirement by providing affordable, quality instruction and access to a degree-granting institution.

Veteran Benefits

U.S. Armed Forces Institution

BCCS grants credit for coursework completed through the U.S. Armed Forces Institute. This usually applies to general education coursework and is granted by the Registrar upon review of transcripts. The student is responsible for having a copy of the transcript sent to the Registrar's Office.

POLICIES & PROCEDURES

Grievance Policy

Bridges Christian College & Seminary is dedicated to providing an atmosphere consistent with its goal of preparing students for Christian ministries. Policies, rules, regulations, and guidelines established by the Board of Directors are to promote harmony and consideration for one another for the ongoing purposes of the institution. The institution desires to deal fairly with all persons, whether students, staff, faculty, administration, or guests. Should students have a complaint or grievance, the institution needs to be notified. BCCS urges students to follow Scriptural patterns for the solutions of problems, namely the principles outlined in Matthew 18. The following guidelines are considered appropriate:

1. Don't do or say anything harmful about or to another person.
2. Pray about the matter.
3. Let God help you find the right approach to the solution.
4. Discuss the matter with your supervisor.
5. If an understanding is not reached, discuss the matter with the next higher authority. This may be the administrative officer of the institution in charge of the specific area involved. The administrative officer will then direct the student to the formal grievance process outlined in the student handbook.
6. If no satisfaction is reached by this point, the president of the institution will be notified in the process. The president will either make a decision or present the matter to the Board of Administration for action.
7. Students are welcome to contact the following agencies if the grievance is not resolved at the presidential level.
 - a. The Department of Consumer Affairs for the State of Louisiana.
See website for information:
<https://www.ag.state.la.us/Complaint.aspx>
 - b. Association of Biblical Higher Education (www.abhe.org)

Remember that the institution personnel cannot always work instant solutions to all problems, but you are among friends who care and will take all reasonable steps toward the solution of all legitimate problems you may encounter.

Non-Discrimination Policies and Procedures

Bridges Christian College & Seminary does not discriminate on the basis of race, color, national or ethnic origin, sex, or handicap in the administration of its educational policies, scholarships, loans, and other financial aid programs, athletic and other institution-administered programs. Also, as required by Title IX of the Educational Amendments of 1972, BCCS does not discriminate on the basis of sex in its educational programs or activities or employment except where necessitated by specific religious tenets held by the institution and its controlling body.

Student Life Policies

All relevant student life policies may be found in the student life handbook. The catalog merely provides a brief overview of important policies. Students are expected to familiarize themselves with the student life handbook.

The student life handbook may be accessed on the school website at the following link: <https://www.bcc.edu/college-catalogs-and-handbooks/>.

All students are required to sign a covenant agreement that signifies their commitment to the institution mission, statement of faith, and institution policies and procedures.

Consumer Disclosures

All other relevant policies regarding specific doctrinal stances and religious beliefs of the institution may be found on the consumer disclosure page of the website. Please visit <https://www.bcc.edu/consumer-information/>.

APPENDIX

STATEMENT OF FAITH

1. The Scriptures Inspired

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct.

- 2 Timothy 3:15-17 [[KJV/NIV](#)]
- 1 Thessalonians 2:13 [[KJV/NIV](#)]
- 2 Peter 1:21 [[KJV/NIV](#)]

2. The One True God

The one true God has revealed Himself as the eternally self-existent "I AM," the Creator of heaven and earth and the Redeemer of mankind. He has further revealed Himself as embodying the principles of relationship and association as Father, Son and Holy Spirit.

- Deuteronomy 6:4 [[KJV/NIV](#)]
- Isaiah 43:10,11 [[KJV/NIV](#)]
- Matthew 28:19 [[KJV/NIV](#)]
- Luke 3:22 [[KJV/NIV](#)]

The Adorable Godhead

a. Terms Defined

The terms "Trinity" and "persons" as related to the Godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from "gods many and lords many." We therefore may speak with propriety of the Lord our God who is One Lord, as a trinity or as one Being of three persons, and still be absolutely scriptural.

- Matthew 28:19 [[KJV/NIV](#)]
- 2 Corinthians 13:14 [[KJV/NIV](#)]
- John 14:16-17 [[KJV/NIV](#)]

b. Distinction and Relationship in the Godhead

Christ taught a distinction of Persons in the Godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Spirit, but that this distinction and relationship, as to its mode is inscrutable and incomprehensible, because unexplained.

- Luke 1:35 [[KJV/NIV](#)]
- 1 Corinthians 1:24 [[KJV/NIV](#)]
- Matthew 11:25-27 [[KJV/NIV](#)]
- Matthew 28:19 [[KJV/NIV](#)]
- 2 Corinthians 13:14 [[KJV/NIV](#)]
- 1 John 1:3-4 [[KJV/NIV](#)]

c. Unity of the One Being of Father, Son and Holy Spirit

Accordingly, therefore, there is that in the Father which constitutes him the Father and not the Son; there is that in the Son which constitutes Him the Son and not the Father; and there is that in the Holy Spirit which constitutes Him the Holy Spirit and not either the Father or the Son. Wherefore the Father is the Begetter, the Son is the Begotten, and the Holy Spirit is the one proceeding from the Father and the Son. Therefore, because these three persons in the Godhead are in a state of unity, there is but one Lord God Almighty and His name one.

- John 1:18 [[KJV/NIV](#)]
- John 15:26 [[KJV/NIV](#)]
- John 17:11 [[KJV/NIV](#)]
- John 17:21 [[KJV/NIV](#)]
- Zechariah 14:9 [[KJV/NIV](#)]

d. Identity and Cooperation in the Godhead

The Father, the Son and the Holy Spirit are never identical as to Person; nor confused as to relation; nor divided in respect to the Godhead; nor opposed as to cooperation. The Son is in the Father and the Father is in the Son as to relationship. The Son is with the Father and the Father is with the Son, as to fellowship. The Father is not from the Son, but the Son is from the Father, as to authority. The Holy Spirit is from the Father and the Son proceeding, as to nature, relationship, cooperation and authority. Hence, neither Person in the Godhead either exists or works separately or independently of the others.

- John 5:17-30 [[KJV/NIV](#)]
- John 5:32 [[KJV/NIV](#)]
- John 5:37 [[KJV/NIV](#)]
- John 8:17,18 [[KJV/NIV](#)]

e. The Title, Lord Jesus Christ

The appellation, "Lord Jesus Christ," is a proper name. It is never applied in the New Testament, either to the Father or to the Holy Spirit. It therefore belongs exclusively to the Son of God.

- Romans 1:1-3,7 [[KJV/NIV](#)]
- 2 John 3 [[KJV/NIV](#)]

f. The Lord Jesus Christ, God with Us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is therefore, acknowledged to be both God and man; who because He is God and man is "Immanuel," God with us.

- Matthew 1:23 [[KJV/NIV](#)]
- 1 John 4:2 [[KJV/NIV](#)]
- 1 John 4:10 [[KJV/NIV](#)]
- 1 John 4:14 [[KJV/NIV](#)]
- Revelation 1:13 [[KJV/NIV](#)]
- Revelation 1:17 [[KJV/NIV](#)]

g. The Title, Son of God

Since the name "Immanuel" embraces both God and man in the one Person, our Lord Jesus Christ, it follows that the title, Son of God, describes His proper deity, and the title, Son of Man, His proper humanity. Therefore, the title Son of God, belongs to the order of eternity, and the title, Son of Man, to the order of time.

- Matthew 1:21-23 [[KJV/NIV](#)]
- 2 John 1:3 [[KJV/NIV](#)]
- 1 John 3:8 [[KJV/NIV](#)]
- Hebrews 7:3 [[KJV/NIV](#)]
- Hebrews 1:1-13 [[KJV/NIV](#)]

h. Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the Doctrine of Christ to say that Jesus Christ derived the title, Son of God, solely from the fact of the incarnation, or because of His relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father, and that the Son is a real and eternal Son, is a denial of the distinction and relationship in the Being of God; a denial of the Father, and the Son; and a displacement of the truth that Jesus Christ is come in the flesh.

- 2 John 9 [[KJV/NIV](#)]
- John 1:1 [[KJV/NIV](#)]
- John 1:2 [[KJV/NIV](#)]
- John 1:14 [[KJV/NIV](#)]
- John 1:18 [[KJV/NIV](#)]
- John 1:29 [[KJV/NIV](#)]
- John 1:49 [[KJV/NIV](#)]
- 1 John 2:22,23 [[KJV/NIV](#)]
- 1 John 4:1-5 [[KJV/NIV](#)]
- Hebrews 12:2 [[KJV/NIV](#)]

i. Exaltation of Jesus Christ as Lord

The Son of God, our Lord Jesus Christ, having by Himself purged our sins, sat down on the right hand of the Majesty on high; angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Spirit that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become subject to the Father that God may be all in all.

- Hebrews 1:3 [[KJV/NIV](#)]
- 1 Peter 3:22 [[KJV/NIV](#)]
- Acts 2:32-36 [[KJV/NIV](#)]
- Romans 14:11 [[KJV/NIV](#)]
- 1 Corinthians 15:24-28 [[KJV/NIV](#)]

j. Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the express duty of all in heaven and on earth to bow the knee, but it is an unspeakable joy in the Holy Spirit to ascribe unto the Son all the attributes of Deity, and to give Him all honor and the glory contained in all the names and titles of the Godhead except those which express relationship (see Distinction and Relationship in the Godhead, Unity of the One Being of Father, Son and Holy Spirit , and Identity and Cooperation in the Godhead) and thus honor the Son even as we honor the Father.

- John 5:22,23 [[KJV/NIV](#)]
- 1 Peter 1:8 [[KJV/NIV](#)]
- Revelation 5:6-14 [[KJV/NIV](#)]
- Philippians 2:8,9 [[KJV/NIV](#)]
- Revelation 7:9-10 [[KJV/NIV](#)]
- Revelation 4:8-11 [[KJV/NIV](#)]

3. The Deity of the Lord Jesus Christ

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare:

His virgin birth,

- Matthew 1:23 [[KJV/NIV](#)]
- Luke 1:31 [[KJV/NIV](#)]
- Luke 1:35 [[KJV/NIV](#)]

His sinless life,

- Hebrews 7:26 [[KJV/NIV](#)]
- 1 Peter 2:22 [[KJV/NIV](#)]

His miracles,

- Acts 2:22 [[KJV/NIV](#)]
- Acts 10:38 [[KJV/NIV](#)]

His substitutionary work on the cross,

- 1 Corinthians 15:3 [[KJV/NIV](#)]
- 2 Corinthians 5:21 [[KJV/NIV](#)]

His bodily resurrection from the dead,

- Matthew 28:6 [[KJV/NIV](#)]
- Luke 24:39 [[KJV/NIV](#)]
- 1 Corinthians 15:4 [[KJV/NIV](#)]

His exaltation to the right hand of God.

- Acts 1:9 [[KJV/NIV](#)]
- Acts 1:11 [[KJV/NIV](#)]
- Acts 2:33 [[KJV/NIV](#)]
- Philippians 2:9-11 [[KJV/NIV](#)]
- Hebrews 1:3 [[KJV/NIV](#)]

4. The Fall of Man

Man was created good and upright; for God said, "Let us make man in our own image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God.

- Genesis 1:26,27 [[KJV/NIV](#)]
- Genesis 2:17 [[KJV/NIV](#)]
- Genesis 3:6 [[KJV/NIV](#)]
- Romans 5:12-19 [[KJV/NIV](#)]

5. The Salvation of Man

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

Conditions to Salvation

Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Spirit, being justified by grace through faith, man becomes an heir of God, according to the hope of eternal life.

- Luke 24:47 [[KJV/NIV](#)]
- John 3:3 [[KJV/NIV](#)]
- Romans 10:13-15 [[KJV/NIV](#)]

- Ephesians 2:8 [[KJV/NIV](#)]
- Titus 2:11 [[KJV/NIV](#)]
- Titus 3:5-7 [[KJV/NIV](#)]

The Evidence of Salvation

The inward evidence of salvation is the direct witness of the Spirit.

- Romans 8:16 [[KJV/NIV](#)]

The outward evidence to all men is a life of righteousness and true holiness.

- Ephesians 4:24 [[KJV/NIV](#)]
- Titus 2:12 [[KJV/NIV](#)]

6. The Ordinances of the Church

Baptism in Water

The ordinance of baptism by immersion is commanded by the Scriptures. All who repent and believe on Christ as Saviour and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life.

- Matthew 28:19 [[KJV/NIV](#)]
- Mark 16:16 [[KJV/NIV](#)]
- Acts 10:47,48 [[KJV/NIV](#)]
- Romans 6:4 [[KJV/NIV](#)]

Holy Communion

The Lord's Supper, consisting of the elements --bread and the fruit of the vine-- is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4 [[KJV/NIV](#)]), a memorial of his suffering and death (1 Corinthians 11:26 [[KJV/NIV](#)]), and a prophecy of His second coming (1 Corinthians 11:26 [[KJV/NIV](#)]), and is enjoined on all believers "till He come!"

7. The Baptism in the Holy Spirit

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian Church. With it comes the enduement of power for life and service, the bestowment of the gifts and their uses in the work of the ministry.

- Luke 24:49 [[KJV/NIV](#)]
- Acts 1:4 [[KJV/NIV](#)]
- Acts 1:8 [[KJV/NIV](#)]
- 1 Corinthians 12:1-31 [[KJV/NIV](#)]

This experience is distinct from and subsequent to the experience of the new birth.

- Acts 8:12-17 [[KJV/NIV](#)]
- Acts 10:44-46 [[KJV/NIV](#)]
- Acts 11:14-16 [[KJV/NIV](#)]
- Acts 15:7-9 [[KJV/NIV](#)]

With the baptism in the Holy Spirit come such experiences as:

- an overflowing fullness of the Spirit, John 7:37-39 [[KJV/NIV](#)], Acts 4:8 [[KJV/NIV](#)]
- a deepened reverence for God, Acts 2:43 [[KJV/NIV](#)], Hebrews 12:28 [[KJV/NIV](#)]
- an intensified consecration to God and dedication to His work, Acts 2:42 [[KJV/NIV](#)]
- and a more active love for Christ, for His Word and for the lost, Mark 16:20 [[KJV/NIV](#)]

8. The Initial Physical Evidence of the Baptism in the Holy Spirit

The baptism of believers in the Holy Spirit is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance.

- Acts 2:4 [[KJV/NIV](#)]

The speaking in tongues in this instance is the same in essence as the gift of tongues, but is different in purpose and use.

- 1 Corinthians 12:4-10 [[KJV/NIV](#)]
- 1 Corinthians 12:28 [[KJV/NIV](#)]

9. Sanctification

Sanctification is an act of separation from that which is evil, and of dedication unto God.

- Romans 12:1,2 [[KJV/NIV](#)]
- 1 Thessalonians 5:23 [[KJV/NIV](#)]
- Hebrews 13:12 [[KJV/NIV](#)]

The Scriptures teach a life of "holiness without which no man shall see the Lord."

- Hebrews 12:14 [[KJV/NIV](#)]

By the power of the Holy Spirit we are able to obey the command: "Be ye holy, for I am holy."

- 1 Peter 1:15,16 [[KJV/NIV](#)]

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, and by the faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit.

- Romans 6:1-11 [[KJV/NIV](#)]
- Romans 6:13 [[KJV/NIV](#)]
- Romans 8:1,2 [[KJV/NIV](#)]
- Romans 8:13 [[KJV/NIV](#)]
- Galatians 2:20 [[KJV/NIV](#)]
- Philippians 2:12,13 [[KJV/NIV](#)]
- 1 Peter 1:5 [[KJV/NIV](#)]

10. The Church and its Mission

The Church is the Body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission. Each believer, born of the Spirit, is an integral part of the General Assembly and Church of the Firstborn, which are written in heaven.

BCCS Catalog 2024-25

- Ephesians 1:22,23 [[KJV/NIV](#)]
- Ephesians 2:22 [[KJV/NIV](#)]
- Hebrews 12:23 [[KJV/NIV](#)]

Since God's purpose concerning man is to seek and to save that which is lost, to be worshipped by man, to build a body of believers in the image of His Son, and to demonstrate His love and compassion for all the world, the priority reason for being of the Assemblies of God as part of the Church is:

1. To be an agency of God for evangelizing the world.
2. Acts 1:8 [[KJV/NIV](#)]
Matthew 28:19,20 [[KJV/NIV](#)]
Mark 16:15,16 [[KJV/NIV](#)]
3. To be a corporate body in which man may worship God.
4. 1 Corinthians 12:13 [[KJV/NIV](#)]
5. To be a channel of God's purpose to build a body of saints being perfected in the image of His Son.
6. Ephesians 4:11-16 [[KJV/NIV](#)]
1 Corinthians 12:28 [[KJV/NIV](#)]
1 Corinthians 14:12 [[KJV/NIV](#)]
7. To be a people who demonstrate God's love and compassion for all the world.
8. Psalms 112:9 [[KJV/NIV](#)]
Galatians 2:10; 6:10 [[KJV/NIV](#)]
James 1:27 [[KJV/NIV](#)]

The Assemblies of God exists expressly to give continuing emphasis to this reason for being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

1. Enables them to evangelize in the power of the Spirit with accompanying supernatural signs.
2. Mark 16:15-20 [[KJV/NIV](#)]
Acts 4:29-31 [[KJV/NIV](#)]
Hebrews 2:3,4 [[KJV/NIV](#)]
3. Adds a necessary dimension to worshipful relationship with God.

4. 1 Corinthians 2:10-16 [[KJV/NIV](#)]
1 Corinthians 12 [[KJV/NIV](#)]
1 Corinthians 13 [[KJV/NIV](#)]
1 Corinthians 14 [[KJV/NIV](#)]
5. Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ and care for the poor and needy of the world.
6. Galatians 5:22-26 [[KJV/NIV](#)]
Matthew 25:37-40 [[KJV/NIV](#)]
Galatians 6:10 [[KJV/NIV](#)]
1 Corinthians 14:12 [[KJV/NIV](#)]
Ephesians 4:11,12 [[KJV/NIV](#)]
1 Corinthians 12:28 [[KJV/NIV](#)]
Colossians 1:29 [[KJV/NIV](#)]

11. The Ministry

A divinely called and scripturally ordained ministry has been provided by our Lord for the fourfold purpose of leading the Church in:

Evangelization of the world.

Worship of God.

- John 4:23,24 [[KJV/NIV](#)]

Building a body of saints being perfected in the image of His Son.

- Ephesians 4:11-16 [[KJV/NIV](#)]

Meeting human need with ministries of love and compassion.

- Psalms 112:9 [[KJV/NIV](#)]
- Galatians 2:10; 6:10 [[KJV/NIV](#)]
- James 1:27 [[KJV/NIV](#)]

12. Divine Healing

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the atonement, and is the privilege of all believers.

- Isaiah 53:4,5 [[KJV/NIV](#)]
- Matthew 8:16,17 [[KJV/NIV](#)]
- James 5:14-16 [[KJV/NIV](#)]

13. The Blessed Hope

The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the church.

- 1 Thessalonians 4:16,17 [[KJV/NIV](#)]
- Romans 8:23 [[KJV/NIV](#)]
- Titus 2:13 [[KJV/NIV](#)]
- 1 Corinthians 15:51,52 [[KJV/NIV](#)]

This millennial reign will bring the salvation of national Israel,

- Ezekiel 37:21,22 [[KJV/NIV](#)]
- Zephaniah 3:19,20 [[KJV/NIV](#)]
- Romans 11:26,27 [[KJV/NIV](#)]

and the establishment of universal peace.

- Isaiah 11:6-9 [[KJV/NIV](#)]
- Psalms 72:3-8 [[KJV/NIV](#)]
- Micah 4:3,4 [[KJV/NIV](#)]

15. The Final Judgment

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to the everlasting punishment in the lake which burneth with fire and brimstone, which is the second death.

- Matthew 25:46 [[KJV/NIV](#)]
