CODE313 STEAM FORE ALL CLASSIC FUNDRAISER

The "STEAM FORE ALL Classic Fundraiser" is Sunday, November 9th from 3–6 PM at Topgolf Auburn Hills. Proceeds support youth STEAM programs, empowering kids to explore science, technology, engineering, art, and math. The event includes two hours of golf in a Top Contender Tournament, food, and non-alcoholic beverages (cash bar available).

WHO ARE WE?

CODE313 is a STEM.org Accredited non-profit organization with a mission to provide equitable access to STEAM education. CODE313's 9+ component curricula and programs align with state and national educational standards (STEM.org Accredited, CSTA, ISTE, K12CS, Common Core State Standards Initiative, and Next Generation Science Standards). CODE313's vision is to fill the void in computer science education in primary schools by offering youth and families the foundational skills needed to create; using today's technology through exciting hands-on coding, enrichment camps, in-school and after-school programming and workshops to foster a highly talented workforce that meets employer needs.

WHY WE NEED YOUR HELP?

We can only achieve our goals with the help of generous donations from corporations, foundations, clubs and organizations, individuals and community leaders. With your support, we are able to provide access to STEAM education, and exposing youth to the latest technology and innovation. Please share our story and be part of the solution by contributing.

CODE313 is a 501(c)(3) nonprofit organization which makes all donations to us tax-deductible. Make your donation by December 31 to ensure that it can be deducted with this year's taxes. All donations, regardless of the size, make an impact and are tax deductible.
