

School Based Dental Home Program

Tentative Calendar

2025-2026

This program provides, dental screenings, sealant placement, fluoride treatments, referrals, follow-ups, educational presentations and personalized brushing instruction for students.

Our primary focus is on increasing oral health awareness, providing accessible dental care for priority population groups and helping to address the dental health disparities in our community.

- **Screenings, Fluoride Treatments and Dental Sealant placement for Pre-K students and Grades 1-3**
- **Oral Health presentations for Kindergarteners**

Students in other grades who do not have a dental provider and need a screening for an urgent concern may also participate in the program.

School	Phone	Start	End	2nd Screening
Madison Elementary	315-764-3740	09/10/2025	09/24/2025	04/30/2026
