

NEW ZEALAND G & T COLLECTION

Pollen Gin *Nelson* 19

Served with East Imperial Royal Botanic Tonic

Pollen gin is a carefully crafted blend of Canadian pure grain alcohol, natural New Zealand artesian water (drawn directly from the aquifer beneath the distillery) and an inspired blend of organic, homegrown, and handpicked botanicals both macerated and infused in a copper still which gives this gin its rich flavour and smooth finish.

Scapegrace Uncommon Late Harvest Gin *Hawkes Bay* 19

Served with East Imperial Grapefruit Tonic

Taking inspiration from the Hawkes Bay in the late harvest, this rare gin provides slightly sweet, tart, and savoury flavours. Aromas of fresh citrus with fleshy pear and aromatic olive & raspberry leaf on the palate.

Strange Nature Premium Grape Gin *Marlborough* 19

Served with East Imperial Burma Tonic

This innovative spin on a traditional gin goes against the grain and has been grown from sauvignon blanc grapes. Aromatic and fruity, it's part tropical and zesty and part herbaceous. Flavours of fresh sweet pineapple, grapefruit, and makrut lime with savoury notes of juniper, blackcurrant leaf, and fresh green pepper.

Lighthouse Batch Distilled Gin *Martinborough* 19

Served with East Imperial Yuzu Tonic

Inspired by the spectacular Cape Palliser Lighthouse on the southernmost tip of the North Island, this gin contains a unique blend of botanicals, including fresh zest from New Zealand navel oranges and Yen Ben lemons. Handcrafted with water that travels from high in the Rimutaka Ranges, filtering down to a spring beside the breath-taking Wharekauhau Country Estate in Palliser Bay. Pure and complex with magnificent citrus and juniper accent.
