NORTHEAST KINGDOM
CHAMBER OF COMMERCE

Join the Northeast Kingdom Chamber

Get found. Get connected. Get things done.

We're the region's business network, serving employers, entrepreneurs, nonprofits, and community organizations across Caledonia, Essex, and Orleans Counties. You don't need to read every line of this guide. Skim it, find your business in it, and give me a call.

What the Chamber does

We put you in front of customers

Our two websites reach different audiences: NortheastKingdom.com, the region's central business directory and visitor guide, and NEKChamber.com. We also reach people through our weekly e-newsletter, social media, trail maps and regional guides, and member features in our regional newspaper partners.

We get you in the room

Coffee Hours, After Hours, Lunch & Learns, the Annual Meeting, and Flavors of the Kingdom, our signature regional food and beverage event. These are where partnerships start and referrals happen.

We help you hire and grow

Workforce program access, a job board, Leadership NEK, the HR Directors Cohort, the Manufacturing Consortium, a grant and funding digest, and one-on-one grant scouting with letters of support.

We speak up for you

We track legislation in Montpelier, host a Legislative Breakfast series where members talk directly with their legislators, and bring NEK business concerns to state leaders on health insurance, workforce housing, and regulatory barriers. We're working to bring back association health insurance for chamber members.

We save you money

A regional fuel discount, group vision and dental access, member-to-member discounts, Blue Spruce Health partnership perks, plus notary, mailing, and meeting space at the Chamber office. For many businesses, the fuel discount alone covers the cost of membership.

The Chamber receives no ongoing state funding. Everything here is paid for by member dues, sponsorships, and grants, and shaped by what our members tell us they need.

Find your fit

Every tier includes the essentials: a directory listing, newsletter, the Legislative Breakfast series, and the fuel and group discounts. Each step up builds on the one below it, so you never pay for things that don't apply to you.
