- Open House (September 13th) was our 19th year to hold the annual event after it was discontinued several years prior. The department has always tried to hold this event during the same time as the yard sale weekend every year, in order to help bring people to town. We want to thank everyone who attended and donated to the event.
- Currently our department is in the middle of completing its annual fire hose testing. Each year we have to test some of our standard equipment.
 1. Hoses
 2. Engine Pumps
 3. AED
 4. SCBA (air packs) – and Change Batteries
 5. Ladders
 6. Hydrants
 7. Fire Extinguishers (out sourced by Marmic)
