

HELP US KEEP HOPE KITCHEN OPEN

A \$10 gift can help keep a place of hope, belonging, and good food open.

Hope Kitchen was never meant to be simply another restaurant. **Jesus Christ is our WHY.**

We opened our doors because we believe everyone needs hope, kindness, and a place where they feel they belong. Sometimes that begins with something as simple as sitting down to a warm meal, sharing a conversation, and knowing someone genuinely cares.

Our hope is that when people walk through our doors, they feel welcome. We want Hope Kitchen to be a place where people can find **good food, friendship, encouragement, and belonging**—a place where the love of Jesus Christ can be felt in the way people are treated.

And yes, we also serve some **really great soul food!**

Right now, though, **we need some help keeping Hope Kitchen going.**

Our purpose has never been about the money. **Our purpose is the people.** But it takes money to buy food, pay utilities, take care of our employees, maintain equipment, and keep the doors open.

WOULD YOU GIVE AT LEAST \$10?

If enough people give just \$10, together we can help keep Hope Kitchen open and continue creating a place of hope and belonging in our community.
