

Bracketing Structure

Select Tournament

Group Size	Format	Details
4 Teams	Round Robin, Championship	Teams will compete in a single group. The group competes in round-robin play for a total of 3 games per team. After these games are completed, the highest seeded team (the team with the most points) will play the second highest seeded team (the team with the second most points) in a Championship match. There is no consolation match. At the completion of the final, the involved teams should proceed to site headquarters for their trophies.
5 Teams	Round Robin One Semifinal, Championship	Teams will play 2 games within their group, pairings selected at random. After this stage, the teams are seeded by points to determine the two semi-finalists and the first finalist. The second highest seeded team will play the third highest seeded team in a semifinal. The winner of this semi-final will compete against the highest seeded team in the group in a Championship match. There is no consolation match. At the completion of the final, the involved teams should proceed to site headquarters for their trophies.
6 Teams (3A 3B)	Round Robin, Semifinals, Championship	The teams are divided into two 3-team brackets. Each bracket competes in round-robin play for a total of 2 games per team. After this stage, the teams are seeded by points to determine the semi-finalists. The first semi-final will feature the highest seeded team from Bracket A vs the second highest seeded team from Bracket B. The second semi-final will feature the highest seeded team from Bracket B vs the second highest seeded team from Bracket A. The winners of the 2 semi-finals will proceed to the finals. There is no consolation match. At the completion of the final, the involved teams should proceed to site headquarters for their trophies.

7 Teams (4A 3B)	Round Robin, One Semifinal, Championship	<p>The teams are divided into a 4-team bracket and 3-team bracket.</p> <p><u>Bracket A:</u> The four teams in Bracket A will play 3 round-robin games apiece. After these games are completed, the highest seeded team in Bracket A (the team with the most points) will proceed directly to the finals. There is no consolation match. At the completion of the final, the involved teams should proceed to site headquarters for their trophies.</p> <p><u>Bracket B:</u> The three teams in Bracket B will play two round-robin games apiece. After these games are completed, the three teams in Bracket B will be seeded by points. The top two seeded teams in Bracket B will meet in a single semi-final game with the winner proceeding to the finals. There is no consolation match. At the completion of the final, the involved teams should proceed to site headquarters for their trophies.</p>
8 Teams (4A 4B)	Round Robin, Championship	<p>The teams are divided into two 4-team brackets. Each bracket competes in round-robin play for a total of 3 games per team. After this stage, the highest seeded team from each bracket will proceed to the finals. There is no consolation match. At the completion of the final, the involved teams should proceed to site headquarters for their trophies.</p>
