

Worship Team Evaluation – Thursday 10th March 2026

Theme of worship: **Forgiveness**

Aims of worship:

- To discuss the term 'forgiveness'.
- To give examples to show what forgiveness looks like.
- To teach people how to forgive.
- To explain to the children what Jesus believed about forgiveness.
- To encourage participation.

What we enjoyed:

- Wearing our football tops.
- Getting the ideas from the other children.
- Sharing stories from the Bible.
- Singing the hymn "What a friend we have in Jesus".
- The interaction from the other children.

What we hope the other children gained from it:

- To learn how to forgive other people and follow in the footsteps of Jesus.
- How to be sportsman's like when playing games.
- What it feels like to forgive others.
