

Massage Bathtub Series

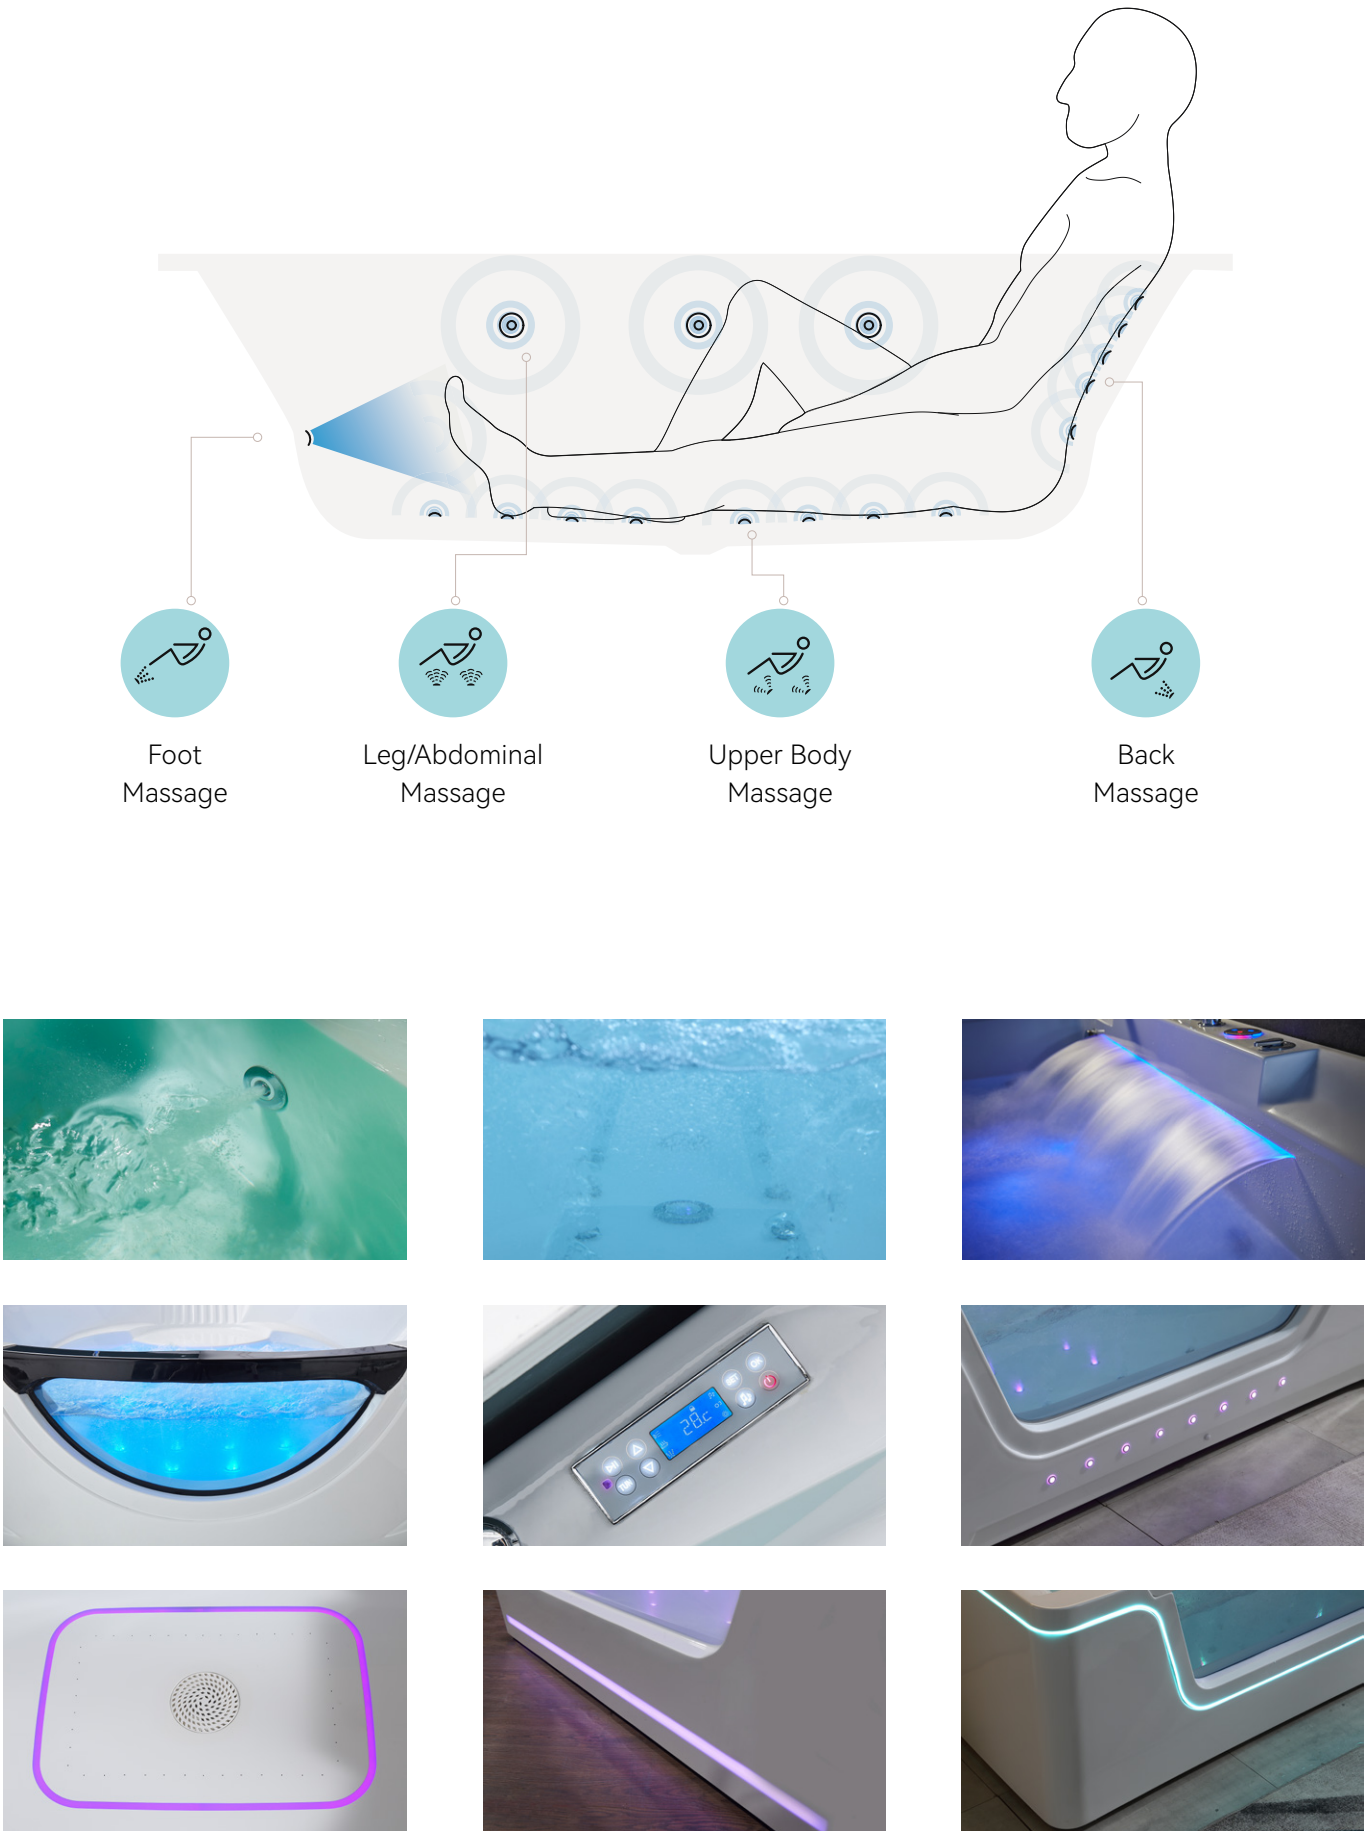

RALNO[®]
GERMANY

Stepping into the massage bathtub is like starting a private sensory feast. The strong yet gentle and soothing water flow accurately massages every tense muscle, like pairs of nimble hands casting a relaxation spell. The warm steam fills the air, creating a dreamy atmosphere. In this private space, you can listen to soft music and light a favorite scented candle, allowing the body and mind to gradually indulge in the ultimate leisure time under the care of the massage bathtub. All the pressure is washed away by the water flow, leaving only endless comfort and relaxation, as if the world has stopped for you.

Return to tranquility and peace

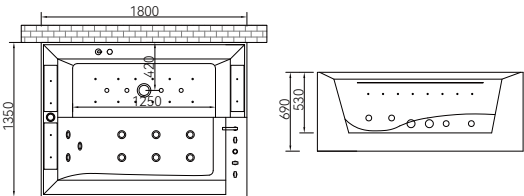

All the pressure is washed away by the water flow, leaving only endless comfort and relaxation, as if the world has stopped for you. In the embrace of the massage bathtub, time turns into a trickle, gently caressing the tired soul. As the water waves ripple, there seems to be a poetic rhythm flowing, and each ripple is the tenderness bestowed by life.

Free Standing Bathtub

In the bathtub, time seems to slow down. The warm water envelopes the body, like being hugged by gentle clouds. Each bubble is a tiny dream, glimmering with multicolored light under the lamplight. When you close your eyes, the world becomes quiet and cozy, and all the tiredness and troubles gradually disperse with the hazy steam. This is your exclusive world, allowing the soul to soak in the endless relaxation and enjoy that unique leisure time of the bathtub.

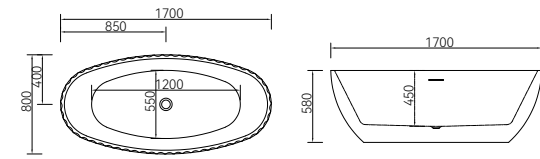

DON'T LET FATIGUE AND STRESS ERODE YOUR LIFE WANTONLY, CHOOSE OUR BATHTUB AND
START A JOURNEY OF PHYSICAL AND MENTAL REJUVENATION FOR YOURSELF.

"Caring for the elderly starts from every detail of life."

This bathtub specially designed for the elderly has comprehensive safety protection. The bottom of the bathtub is made of a large area of non-slip material. Even if water splashes everywhere, you can still stand firmly and eliminate the risk of slipping. The edge of the bathtub is rounded and wide, making it easy for the elderly to grab and use it to get in and out easily.
