WELCOME TO ABERFELDY

Congratulations and thank you for discovering Aberfeldy Barn. We are so excited that you're considering our property for your next event.

Aberfeldy Barn is a family operated business. Your hosts, Cass and Tony purchased the 50-acre property in 2016 from a gorgeous Scottish/Irish couple who called it their 'wee bit of paradise'.

They named it 'Aberfeldy' after the town in Scotland that they had visited and fell in love with, along with the smooth Aberfeldy Scotch Whiskey that is distilled there.

Cass has a Business Degree majoring in Hospitality Management and has worked in major hospitality and events for over 30 years, including working on significant functions for the likes of Richard Branson, Bob Geldof, Haley Lewis, and Layne Beachley.

With the stud 'Speckle Park' cattle, the wandering guinea fowl and the gentle hills of **Aberfeldy**; the entire property makes a wonderful photography background throughout the seasons. Aberfeldy is conveniently located within 15 minutes of Toowoomba, 1 hour 48 minutes from Brisbane, and 2 hours & 15 minutes from the Gold Coast.

This unique multi-award venue offers everything you require to create your perfect event and is perfect for corporate workshops, family gatherings, business gatherings, milestone birthdays, engagement parties and everything else you can imagine in between.
