## Feed the Mass

Feed the Mass started in 2016 as an educational initiative, empowering individuals with the knowledge and skills to make healthier food choices. Today, Feed the Mass is driven by a clear mission to empower, educate, and serve. Our educational work empowers, educates, and serves by equipping people with the knowledge needed to make informed, conscious nutritional choices.

## Adult Cooking Classes

### Knife Skills: Market-to-Meal

April 9  
\$85

Build confidence with the knife — how to hold it, how to cut safely, and how to prep produce fast without waste. You'll leave with practical knife skills you can use every day and a delicious vegetable soup.

### Protein-Forward Meal Prep

April 16
