

## Financial Aid Application

Georgia Storm has developed a program that provides financial aid to qualifying youth athletes in order to play soccer. This program maintains confidentiality while assisting players with registration fees and coaching fees. It does not cover the cost of uniforms, travel expenses and tournament fees. Request for financial aid will be based on a first come, first served basis and available funds are limited each year. Families receiving financial aid are required to volunteer additional hours for Georgia Storm. Any family member of the player may work these volunteer hours and will be credited toward reducing the amount of financial aid

Financial aid information is for the sole purpose of the Financial Aid Committee to determine eligibility and will not be shared with anyone other than the committee. Please submit the following documents to Georgia Storm to be considered for financial aid:

1. Completed financial aid application.
2. Copy of last year's W-2 income tax form or a copy of the first two pages of last year's 1040 income tax return.
3. Copies of last two employment pay stubs.
4. Completed Georgia Storm volunteer form. Please do not hesitate to contact us if you have any questions.
