We are not responsible for clients knowing or understanding the latest news and/or policies. We require that all travelers be prepared for any changes that may occur without notice.

- All clients must have a plan:
  - If travel is cancelled, due to CV-19, you must know how you will cover the travel costs to include an alternative hotel, flight, hospitalization and other costs due to the pandemic
  - If you have insurance, you must know what your insurance covers and how to file a claim. Many travel insurance companies do not provide CV-19 assistance. Please ensure you know what your plan covers.
  - If you do not have insurance, you must have a back up plan as to how you intend to pay for your return travel if needed.
    - If needed, you must be able to find an approved CV19 hospital/hotel and / or transportation to/from
    - If needed, you will need to know if someone will stay with the traveler that must quarantine and who will pay if that happens. Your travel agent is not responsible. Your insurance may or may not cover this. We will help guide you thru the process.
- All travelers must read their insurance requirements. Your travel agent is not responsible for any outcomes. We will provide the information, all travelers agree to read and understand and do what is required.

Travel Designers LLC does not guarantee any outcomes.
