applicants from the various sports clubs as charity trustees. AO confirmed with an email that he is an employee of the PFC, and not YPC. The PFC working group met again on 4/1/24 to discuss allowable grant expenditure under Parish Council legislative powers to spend S.19 and S.137 of the Local Government Act 1976.

**Update 12/2/25:** The PFC Working Group met with the PFC and associated members of the public 7/2/25.

The Council representatives confirmed that before any grants would be considered the PFC needs to:

- Ensure that they have sufficient trustees to manage the charity effectively.
- Ensure they have a fit for purpose charity governance statement.
- Change the names on the gas, electricity and water bills to that of the PFC.
- Take responsibility for the EDF electricity account for Littlemarsh.
- Take responsibility for payroll arrangements for their employees.
- Ensure that the Fields in Trust status is maintained by allowing public access to the site.

The Council representatives confirmed:

- That as per sections 4.2 and 4.8 of the lease for Rutten Lane Park, the PFC has the maintenance responsibility for the children's play area equipment.
- That quotations have been sought by the Council in reference to the 2024 RoSPA report, and the cost for the urgent RoSPA report repairs will be taken from the remaining 2024 PFC grant.
- The total amount of items on the PFC grant application that could not be considered.

The PFC Chairman confirmed:

- That the children's play equipment was purchased by the PFC with funds which were raised by the PFC, with the addition of a 50% match-funding grant from YPC, therefore establishing the ownership and persons responsible for necessary repair work to the play equipment be the PFC.

**Update 12/3/25:** The Clerk has met with the PFC Treasurer who has confirmed that he is able to process payroll arrangements for the Groundskeeper, and the transfer of payroll provider will be effective from the 1st April 2025. Arrangements were also noted for the transfer of the EDF account when the balance has been settled. Signposting was provided by the Clerk in terms of charity governance statements to assist the PFC in their set-up.

**Update 9/4/25:** The Council is still in negotiations with EDF concerning their charges. The Clerk will update the Council at the next meeting.

**Update 14/5/25:** The Clerk is waiting for EDF to resolve the complaint, which should be finalised by EDF by 31/5/25. An update will be presented to the Council at the next meeting.

**Update 11/6/25:** As EDF have failed to resolve the complaint within the specified 8 week period, the Clerk has escalated a complaint with the Ombudsman. An update will be provided at the next meeting.

**Update 9/7/25:** The Ombudsman has found, in favour of YPC that EDF have billed incorrectly, and have recommended that EDF:

1. Issue a letter of apology
2. Issue a goodwill gesture of £100.00, direct to the energy account.
3. Complete the manual bill, use data collector readings from on or around February 2024. The actual reads suggest usage of around 22 units per day and the manual bill need to reflect this correct usage.

**Update 10/9/25:** EDF have issued a £100 credit note and have also made credits to the account. No letter of apology has been received, therefore the Clerk has spoken to the Ombudsman to clarify the timescale for the response, as it has been noted that there is a significant amount outstanding on the PFCs EDF account.

**Update 8/10/25:** The Council has agreed a meeting with the PFC on 15/10/25 to discuss issues surrounding the children's play area at RLP.

**Update 12/11/25:** The Clerk has received some of the requested information needed to hand over the EDF account. Further information has been requested, The PFC needs to change the Council Tax address from YPC to Littlemarsh. Payment of the EDF electricity consumption is due to be considered at their next

**34/2025****The District Councillors report:****District Councillor Report.**

Councillors: Dorothy Walker and Lesley McLean.

Parish Councils: Kidlington, Yarnton and Begbroke

Period: November/December 2025

**Enforcement Updates - meeting with CDC enforcement**

6 The Closes – The requested retrospective planning application for the informal access installed was refused by CDC. Following this, a pre-application was invited from the developer and sits with OCC as this is a matter of highway safety. (Permission was refused by CDC for the installed astroturf and driveway. Formal action on this will be the subject of an 'expediency' investigation and a report is due in December).

## **Minutes of the meeting of Yarnton Parish Council**

Meeting held on 12th November 2025 at 6.30pm at Yarnton Village Hall

Kebab Kid non permitted signage – Expediency assessment has been completed, also legal papers and witness statement. The papers will go to court mid-November. Oxford Technology Park – The cycle path from OTP to the canal side has not yet been started. Enforcement will review.

3 Paternoster Court, Yarnton – A roadside gulley was in-filled by the developer to create a works entry. The works are now complete, but the gulley remains filled. Enforcement will follow this up formally with the applicant.

45 Merton Way, Yarnton – Complaints from neighbours that the property is being used as workshop for business use. Photography appears to support this claim but a visit by enforcement did not deliver evidence of this. Enforcement to review if there are further neighbour complaints and a change of use is required.

73 High Street, Kidlington – The applicant has three months to complete works to return the building to agreed planning permission. Implementation period ends 1st December. If works not complete, the applicant will be invited to interview under caution. Following that, the legal department will be briefed, evidence collated in preparation for public interest test prior to eventual legal action. Interview in December, review in January 2026.

### **Area Oversight Group.**

Meeting held on 28th October. A green spaces review is currently underway to establish knowledge of the spaces and use. Park Hill report is complete and will be released at the next AOG meeting in October, and reporting on the next area (Rutten Lane) will begin shortly. A local Priority Action Plan has been proposed and agreed by the AOG, and S106 developer contributions are being calculated to inform the priorities moving forward.

### **Begbroke Playing Field.**

Initial queries on the drainage of the playing field have been made. The Flood Officer at CDC suggests that perimeter ditches may not resolve water held on the pitch but could act as a short-term solution. The optimum solution would be to relay the grounds with inbuilt drainage connected to storm drainage, however, that is cost prohibitive.

### **Flooding.**

A flooding meeting was hosted by the planning team at CDC recently. Information on good practice was shared, along with contacts for emergency plans, and flood prevention provisions. An additional flood officer will be in place shortly.

The Section 19 reports for Garden City and Yarnton have been released, and we are awaiting a further report for Mill End/Oxford Road and Begbroke/A44.

### **Campsfield House Immigration Detention Centre**

Occupation by 160 detainees of the Phase 1 refurbished building is planned to take place in December, while an application for the Phase 2 new build section will be submitted to central government for determination under Crown Development Order early next year. A CDO means that the application will not be determined locally, although the District Council and other bodies are consultees. Phase 2, which will house 240 detainees will not be completed until 2030.

## **Minutes of the meeting of Yarnton Parish Council**

Meeting held on 12th November 2025 at 6.30pm at Yarnton Village Hall

### **Cherwell residents access extra support**

Cherwell's revenues and benefits teams have identified over 1,150 local families that could be entitled to free school meals and nearly 250 residents eligible to claim pension and savings credits.

The council will be writing to these residents with advice on what credits and funding are available to them, how they can apply, and next steps. Families that qualify for free school meals can also register for [YouMove](#), a council supported healthy lifestyle initiative that provides low-cost and free activities across Cherwell.

### **Chair of CDC Charities**

The chosen charities for this year are Homelessness Oxfordshire and Asylum Welcome. Lesley and Dorothy, together with other District Councillors, participated in the Homelessness CEO Sleepout by joining many others who slept out in the open in University Parks on 11 October.

### **Roundham Crossing.**

We are waiting on updates from officers in relation to this closure. Meetings have been held with CDC Planning, and OUD. A petition has been raised at: [www.oxonid.uk/roundham-crossing](http://www.oxonid.uk/roundham-crossing) and leafleting to raise aware will begin shortly. A meeting with Network Rail has been requested.

### **The County Councillor's Report:**

Title: County Councillor's Report

Author: Cllr Lesley McLean

Parishes: Yarnton, Begbroke and Kidlington.

Date: November/December 2025

Contact Details: [lesley.mclean@oxfordshire.gov.uk](mailto:lesley.mclean@oxfordshire.gov.uk)

Dear Parish Councillors and residents,

This is an update for late 2025 covering the key matters affecting our division. My focus over recent months has been pressing for clarity on the proposed closure of Roundham Crossing, confirmation of additional tree planting in the area, flooding issues and the provision of an appropriate bus route for the area, where there has been some success!

Best wishes

Lesley

## **Minutes of the meeting of Yarnton Parish Council**

Meeting held on 12th November 2025 at 6.30pm at Yarnton Village Hall

Network Rail wants to close Roundham Crossing to pedestrians and cyclists. This is a lifeline for residents in Begbroke, Yarnton and Kidlington and provides essential connectivity across our villages. I have already met with local groups to raise awareness, and a petition will be launched shortly. In addition, I have requested a meeting with Network Rail and Council officials to discuss this issue, and I will keep Clerks and relevant groups updated.

### **Bus services**

New bus timetables will be in place from 9th November. Additionally, there is now an extension to the 800 routes providing coverage through Kidlington, Begbroke and Yarnton, this should provide inter-village connectivity.

New Bus Service Launch: Starting Sunday 30th November 2025, Stagecoach will extend services 600 and 800 to increase capacity to/from Oxford Parkway Park &

Ride.

Route Details: Service 800 will continue beyond Oxford Parkway to Yarnton via Kidlington (Black Horse), Langford Lane, and Begbroke (Royal Sun).

It will run hourly, seven days a week, in a one-way anti-clockwise loop around Yarnton (southbound via Rutten Lane, northbound via A44). The route lies within the Oxford Smartzone, so it will use zero-emission electric buses.

Timings: First bus from Yarnton: 0745 (Mon–Sat), 1000 (Sun). Last return from Oxford: 1755 (Mon–Sat), 1700 (Sun). Other Changes: Minor tweaks to services 2/2A between Kidlington and Oxford, but no change in overall frequency. Further detail can be found here: - <https://www.stagecoachbus.com/service-updates/serviceupdatesarticle?SituationId=ID-23/10/2025-11:48:34:984#>

### **Congestion charge & Place Scrutiny**

The County Council has taken forward the temporary congestion charge. The scheme is intended to reduce city centre congestion and improve air quality. Whilst at Place Scrutiny I pressed for local traffic-monitoring, an audit of local transport routes, and additional exemptions for those waiting for a SEND diagnosis.

### **What you need to know**

The free Oxfordshire area resident permit allows 25 days of free travel through all six congestion charging locations during charging hours. Apply for a permit here: <https://www.oxfordshire.gov.uk/transport-and-travel/oxfords-temporary-congestion-charge-cars/congestion-charge-permits/tcc-oxfordshire-permit-area>

### **Trees.**

I have circulated a suggested tree-planting plan to all Parish Clerks. Some additional sites have been requested; locations and maintenance arrangements are now being finalised and hopefully planting should be carried out in the winter season 25/26.

### **Emergency planning**

Paul Mann (Resilience Officer) has emailed all Parish Councils requesting confirmation of Parish Emergency Plans. Following last year's flooding it is suggested plans are reviewed, should you require any assistance please do let me know or contact Paul Mann directly at: [paul.mann@oxfordshire.gov.uk](mailto:paul.mann@oxfordshire.gov.uk)

Begbroke Station has been announced as part of the local rail strategy, this will sit within the PR8 – Begbroke Science Park site. I will provide further updates as they are available.

### **Connect to Work**

This goes live in Oxfordshire in November 2025. The programme is designed to support people who find it hard to find and stay in work, and provides support to people in work but who are at risk of losing their job. Further details can be found here: <https://www.oxfordshire.gov.uk/residents/social-and-health-care/adult-social-care/connect-work>

### **Councillor Priority Fund – Apply Now.**

Each county councillor has a budget of £10,000 that they can use to support community projects in their division over the course of the 2025-2027 financial years. I hope to channel funding to education to help our struggling schools, and projects associated with flooding. Applications can be made [here](#).

### **Community Capacity Grants.**

The Community Capacity Fund will open for grant applications from 6th September. Grants of between £5,000 and £20,000 are funded by OCC and applications processed by Oxfordshire Community Foundation. Grants are given to projects that “support people to live well in their community, remaining fit and healthy for as long as possible”.

### **Kids in Museums – Take Over Day, 21st November,**

Two Oxfordshire Museums are offering an opportunity for four young people to take over some of the roles in the museum. To find out more contact: [handsonheritage@oxfordshire.gov.uk](mailto:handsonheritage@oxfordshire.gov.uk)
