Your Questions Answered

Financial assistance

- This generous award of up to 100% remission of fees is means-tested and based on an assessment of parental salary and assets.

Scholarship programme

- Those awarded a Norfolk Sixth Form Scholarship will be qualified to join the current highly sought-after Norwich School Scholars Programmes in any of the following scholarship enrichment programmes: **Academic, Art and Design, Music, Performing Arts and Sport**. Pupils must show exceptional flair and ability in a particular field, as well as a keen intellectual curiosity. This again comes with generous in-kind support, e.g. subsidised trips, kit, additional teaching sessions, materials, as well as the encouragement of others in your peer group.

Title

- Those awarded under this scheme will be known as 'Norfolk Scholars', a title that can be made public or kept confidential, as desired.

When can I apply?

- In the admissions cycle prior to joining Year 12 (Lower Sixth). The deadline is 15 November of the year prior to admission.

How do I apply?

- Tick the 'Norfolk Sixth Form Scholarship Scheme' box on the online application form and the Admissions Team will send you the necessary paperwork to take your application forward.

How is it assessed?

- Rigorous financial due diligence is handled in house. Entry to the scholarship enrichment programme is by individual assessments run by the relevant school department.

Duration of the award

- Assuming satisfactory progress is made and there is no change in parental circumstances, this award will be valid for the entirety of the Sixth Form career (two years).

Award obligations

- There is a light-touch requirement for reports and updates on progress from both parents and pupils.
