The Trust aims to build a network of schools that will work together to provide a quality first Catholic education for all pupils.

The Trust will form a collaborative non-hierarchical model of organisation where leadership is distributed and schools form an equal partnership.

The individual character and uniqueness of each organisation within the Trust will be preserved with each school continuing to run with its own Principal, Head teacher or Head of School working closely with its own Local Governing Body.

This will be strengthened by the formation of a Leadership Group where leaders will engage deeply with, learn from and support each other.

“No hospitality is given or received as a governing body.”
