APPENDIX C: PERFORMANCE PAY PROGRESSION - LEADERSHIP

NB Trust should insert any additional/alternate criteria applicable to the CAO.

To achieve performance pay progression, the School Teachers' Pay and Conditions Document (STPCD) requires individuals to have demonstrated sustained high-quality performance. In making judgements against this criterion and in determining whether there should be progression the Trust Board will consider whether the individual has grown professionally by developing their leadership; and (where relevant), teaching, expertise.

In considering whether there has been professional growth, the Trust Board will consider whether the following description of a person on the leadership scale has been met:

- The Leadership group play a critical role in the life of the school/Trust.
- They inspire those around them and work with others to create a shared strategic vision which motivates pupils and staff.
- They take a lead in enhancing standards of teaching and learning and value enthusiasm and innovation in others
- They have confidence and ability to make management and organisational decisions and ensure equity, access and entitlement to learning.

To achieve progression (and for the above to be satisfied), there will need to have been a successful performance management review.

A successful performance management review involves a process of: -

- a) Performance Management objectives, linked to school improvement priorities, pupils' outcomes raising levels of achievement and attainment, leaderships and management skills and competencies, personal development
- b) Performance against the teaching standards including observed practice;
- c) Performance against any other relevant Standards (e.g. the Head Teacher Standards)
- d) Other evidence, including of professional development/growth.

Note: The Trust Board expects that a teacher's performance objectives will define what needs to be achieved to demonstrate that the individual has grown professionally by developing their leadership and (where relevant) teaching expertise.

APPENDIX D: STAFFING STRUCTURE

The Staffing Structure will be kept under regular review and may be amended from time to time, as the Trust Board considers appropriate, following consultation and as set out in the school's Redundancy and Re-Organisation Policy.

Each school to input their own staffing structure.

Insert staffing structure.

This must include all posts, including salary ranges where appropriate and for TLRs the value and nature of significant responsibility.

Governors may find it helpful to record the percentage of teachers paid in each of the Pay Ranges each year for monitoring purposes.
