Thanks to Many We Miss

A goodbye letter from Stuart and Bonnie Resor

Bonnie and I safely arrived [in Virginia] and over a few days all our worldly belongings showed up.

We want to thank Gary Henry for being the first to help out at Desert Star Ranch starting in 2000. Then a massive effort by Chi Chi (David) Rodriguez and his team eventually clearing the debris left over from the prior owners United Energy Corp.

Bill and Jenny Wright were among the first to hand us multiple Architectural projects. And then they signed us up for all sorts of volunteer work from designing the new pottery shed at the High School to managing all the poster sales for Circle of Art.

We are so grateful for the Holiday Homes Park owners and team for having us help with all the improvements there. That Park went from a sow's ear to a silk purse ... an example other parks might follow!

Being selected by the American Legion to help with their projects was an honor. The Chamber of Commerce, especially Linda Haddock and the volunteers made life in Borrego such fun. Jim Wilson endlessly keeps the Circle perfect with little thanks.

We'll miss all the neat restaurants including Calico's, Kendall's, El Borrego, Carlee's, Arches and others that faithfully served us.

We treasure the people and mission of the Old Borego Pioneer Society ... Please help them get the old Sheriff's car restored! Thanks to Lisa and Okie McNatt for their service to the town and for helping set in motion the Stuart and Bonnie Resor Volunteer of the Year Award to be presented in the future by our town's premier volunteer Fred Jee.

Many thanks to our neighbor Manuel Rodriguez for countless assistance at our Ranch. Thanks to Salvador Mendoza our trusted Ranch Foreman. Thanks to the Tennis Center for investing in Borrego and to Beth Hart for all her service.

The list of friends and clients who trusted in us is long. Most of our plans and files have been handed over to Jane Morely Architect but Architects Jim Engelke and Richard Orne are ready to help in our absence. Please welcome to town the new owners at Desert Star Ranch: Scott and Stacey Crumrine and family.

Many thanks to the Christian Center, pastors Steve Mellor and Ryan Lynn and to all the wonderful membership there. Thanks to Barb Nickerson, the Wermers and many others for turning the Town around. Judy Meier is much missed but thanks to those who follow in her footsteps ... the Borrego Sun is still the heartbeat of Borrego Springs. Thanks to the countless Park employees and volunteers for making ‘Our Park’ one of the finest!

Virginia is far from Borrego but we are getting settled in. Our e-mail and phone numbers are unchanged. Try to stay in touch.
