

2026 Tree Week Sponsorships

Tree Week 2026 is a **statewide celebration** happening October 9–18, uniting Kentuckians in honoring the trees that support our health, environment, and communities. In the Louisville region, **TreesLouisville helps coordinate the local effort**, partnering with organizations across the city and nearby counties to host a wide variety of tree-themed events. These include volunteer plantings, tree adoptions, plant sales, family crafts, story times, guided hikes, educational talks, yoga in the park, bike rides, and more. In 2025, over 30 local organizations teamed up to host more than 60 events across the Louisville area – and Tree Week 2026 promises to be even bigger.

We're currently inviting sponsors to help make this unique week possible. **Sponsorships support essential costs like marketing, media coverage, logistics, and event supplies – including the trees themselves.** Any remaining funds will go directly toward planting more trees in our community after the event.

We'd love to have your support! Choose from the following sponsorship levels for Tree Week 2026.

	Tree Week Champion: \$5000	Tree Planting Sponsor: \$4000	Tree Adoption Sponsor: \$3500	Passport Sponsor: \$2000	Community Sponsor: \$500
