Harvest & Cellar

Viognier hand harvested and whole cluster pressed, Chenin Blanc machine harvested but not destemmed and whole-cluster pressed with some maceration. Both lots fermented separately and then blended before bottling.

Tasting Notes

Lots of floral notes on the nose with aromas and flavors of apple, pear, and peach with super soft texture, medium-body and acidity with minerality on the finish. Pairs with a wide variety of foods including creamy cheeses, roasted chicken, cajun and asian cuisines.
