**DUTIES OF AGENT** In order to properly manage and lease the property, the Agent shall have the following duties and responsibilities:

Best Efforts The Agent shall use its best efforts to attract and retain tenants for the property.

1. Compensation of Agent The owner shall pay the Agent as full compensation for the services of the Agent the sum equal to the greater of \$85 per unit, or 11.00 % of all rents collected per month, with no pro-rations, should the contract end mid-month. If the rental unit is rented with any utilities included, compensation for the services of the Agent shall be the greater of \$85 per unit, or 12.00 % of all rents collected per month. These amounts shall be payable to the Agent when such funds become available from the amounts collected by the Agent according to this contract. As we are working to become a 100% eco-friendly office, we will not send paper checks and statements to owners. We require a working email address, and valid bank account information.

2. Lease Negotiations The Agent shall handle all negotiations with tenants with respect to the initial leases, determining lease renewal increases and length of lease. Owner shall pay the Agent 50.00 % of the first full month's rent as a leasing fee to negotiate and place tenants. Tenants are sent lease renewal notices approximately 80-days prior to their lease expiration. Agent will be compensated a \$50 flat fee for a one-year lease renewal (or a \$25 flat fee for a six-month least renewal). Should an owner decide to list their property for sale, Agent must be notified at least 90-days prior to listing the property for sale, and advised if lease is to be renewed, canceled, or converted to month-to-month.

3. Advertising The Agent shall advertise the properties by way of Internet advertising at no expense to the Owner. If the Owner requests print advertising, the cost will be passed onto the Owner. The Agent shall lower the advertised rental amount \$25 bi-weekly until

the vacancy has been filled. **"This contract will automatically cancel if a property has been advertised at the owner's minimum rent rate for 30-days, with no potential applicants."**

---

Month-to-month lease option after expiration of initial 12-month lease will not be offered. This alleviates owner from having vacant properties in winter months (hardest months to fill). Tenants will have the opportunity to negotiate less than a 12-month lease with property manager approval.

4. Make Show Ready The Agent shall contract for or undertake the cleaning of a vacant property in order to "Make Show Ready" at current contracted cleaning rates. Cleaning fees paid up front by tenants will be disbursed to owners upon collection from tenant. Cleaning charges paid out to cleaning services post tenant move-out, will be billed to owners. Agent shall not be responsible for any personal items left at the property by the property owner. Owner shall be responsible for any costs associated with removal of personal items left at the property. An interior repaint and/or carpet cleaning may be required and billed to Owner on any unit turns if the unit has not been painted or had carpets cleaned within the two years prior.

**Snow care when property is vacant to be handled by:**

5. Supplies The Agent shall purchase all necessary supplies for the property management of the property.

6. Security Deposits The Agent shall collect the security deposit from tenant upon initial move-in. If Owner is signing a property management contract for properties where tenants have paid security deposits, Owner must write a check to Agent (payable to 1<sup>st</sup> Choice Real Estate) for the full amount of the security deposit(s), for deposit in the Agent's security deposit escrow account. Per Michigan Law, the security deposit will be deposited into an account at a "regulated financial institution". Security deposit remains the tenant's property, but, is held by the Agent for the term of the lease to ensure that the tenant pays the rent due, pays the utility bills, and returns the rented property in proper condition, as required by the lease. It is held as security as the name implies.

- a. As required by Michigan law (MCLA 554.609), the Agent will provide the Tenant with a Security Deposit Reconciliation Notice within 30 days after the Tenant vacates the premises. The Owner does not have the option to review or revise the SDR, once it has been sent to the past tenant.

- b. If a tenant disputes a security deposit reconciliation, our office will act in the following manner. Tenants will be refunded the amount of their dispute. Tenants will be sent notice that, *"Due to the need to keep within the Michigan Landlord/Tenant laws, we are refunding the amount you have disputed in regard to your Security Deposit Reconciliation (SDR). This does not preclude the owner of this property from filing suit in court to seek further damages or to turn your file over to a collections attorney for the items in dispute, including any further damages discovered."* Owner will be sent a communication from 1st Choice asking if they want the file sent to the collections attorney. Owner will then be responsible for the \$250 collections fee to be deducted from their account.
- c. If an owner does not want to proceed with having the file sent to the collections attorney and incurring the \$250 cost, the balance due will remain on the tenant's ledger indefinitely.

7. Repairs and Maintenance The Agent shall contract for or undertake the making of all necessary repairs and the performance of all other necessary work for the benefit of the property including all required alterations to properly carry out this contract.

- a. Should expenses be incurred for such matters in excess of Three Hundred Dollars (\$300.00) for any single item agent will request express consent of the Owner -- **except where required during an emergency, appliance repair (not due to tenant neglect), mechanicals repair (furnace/water heater/central air unit/etc.) or for licensing code required repairs, which are mandatory to keep a valid rental license.**
- b. Agent will always do our best to get quality quotes at the best price. All repairs coordinated by the Agent shall incur a 5.0% coordination fee, which will be in addition to contractor repair costs.
- c. Owners will be provided rent ready turn quotes for review. Should individual items be quoted at more than \$300.00, owner will be given a specific time to respond to the quote. A non-response will be deemed to be approval to complete all quoted work.
- d. Due to the nature and expedient requirements of this industry, owners will be advised via emailed letter when a tenant vacates the unit. Owners will not be allowed to make repairs to properties under contract with 1<sup>st</sup> Choice Real Estate.
- e. Property Turns A property turn is required when the current tenant moves out of a unit. Owners should anticipate up to 21 days to turn a property. If a tenant moves out on the 31<sup>st</sup> of a month, 1<sup>st</sup> Choice will need up to 21-days to make rent ready repairs. We will not guarantee a new tenant may be moved in sooner. However, we will do our best to turn the property as quickly as possible. Owners will be notified each time a tenant gives notice to vacate the unit. Rental rates will be reviewed and adjusted as the market allows. Owners will be provided rent ready turn quotes for review. Should individual items be quoted at more

than \$300.00, owner will be given a specific time to respond to the quote. A non-response will be deemed to be approval to complete all quoted work.

- f. Agent will not be responsible for any liability ensuing from owners self-performing, or self-coordinating any work at properties.
- g. Digital Keypads In an effort to streamline our process, reduce long term costs and provide the best overall security to our lessees, 1<sup>st</sup> Choice Real Estate requires digital deadbolts/doorknobs at all properties, essentially eliminating traditional keys. We will use the following models, unless otherwise instructed to use an alternate brand/model:

- Deadbolt: Kwikset SmartCode 260 (est. cost \$114+install)\*
- No Deadbolt: Kwikset SmartCode 917 (est. cost \$121+install\*)

\*prices subject to change based on fluctuating equipment costs

\*Doors equipped with a deadbolt will be replaced with option 1, the knob will be replaced with a traditional passthrough (non keyed) unit. Doors with only a locking knob will be replaced with option 2.

8. Rental Property Licensing The Agent will be compensated \$50 (flat fee) for scheduling inspections, attending inspections, and coordinating all required repairs resulting from code compliance inspections, and subsidized housing inspections, as required by the rental taxing authority or subsidized housing entity. Owners who are registered with 1<sup>st</sup> Choice Real Estate as a contractor, may still handle these repairs. However, the 1<sup>st</sup> Choice Real Estate pre-code inspection, code inspection, re-inspection attendance, and \$50 fee will not be waived.

9. Vacant Properties Properties which are undergoing rehab shall not be a part of this contract. Any cost incurred with coordinating payment of bills or work on property owned by this owner but not directly under a property management contract will be charged a 15% administrative fee per occurrence. Agent shall charge \$85 per month for holding a property on the books while the property is vacant and listed for sale with a company other than 1<sup>st</sup> Choice Real Estate. Agent shall charge \$85 per month for holding a property on the books while the property is vacant and in need of rent ready repairs, but owner is not willing/able to complete the repairs.

10. Collection of Rents The Agent shall collect the rents and other income from the property promptly when such amounts come due taking all necessary steps to collect same and performing all reasonable acts on behalf of the Owner for the protection of the Owner in collection of such amounts. All late fees collected will be earned by the property manager for multiple attempts and costs involved with collecting the late rent.

11. Spring/Fall Maintenance The owner will be responsible for the cost of the following preventative maintenance items. All checked boxes will be handled as noted below. Services

will be billed at current maintenance rate. Note, services may exceed \$300. Express consent from owner will not be requested for spring/fall maintenance services elected by owner.

- a. Gutter cleaning\*\* -- if property has gutters, it is mandatory that this service be performed. Water infiltration in basements is often due to lack of clean gutters. Gutters will be cleaned in Apr/May.
